multi USA Today and Wall Street Journal bestselling author C J Archer This fantasy novel is simply the most captivating I remember reading in decades of fantasy books It has been years and years since I have stayed up all night literally to read a book An exceptional story plot with characters who are written in a manner that makes them feel so real How does Ms Archer create pure magic so easily This is one of the best books that she has ever written ABOUT THE SERIES The king s magnificent palace was built in a matter of weeks No one saw the builders no villagers are allowed beyond the gilded gate and only one servant has ever left The haunted look in her eyes as she was recaptured by the palace guards is something Josie daughter of the village healer has never forgotten For Josie the palace is a mystery that grows more intriguing after she meets the captain of the guards a man known only as Hammer as mysterious and captivating as the palace itself Whispers of magic fuel Josie s desire to uncover the truth but an ordinary girl like her can only dream of ever being invited inside When the king decides to take a wife from among the eligible daughters of the noble families the palace gates are finally thrown open and the kingdom s elite pour in In a court where old rivalries and new jealousies collide the king s favorite is poisoned and the healer is summoned As her father s assistant Josie finally sees inside the lavish walls but she soon learns the palace won t surrender its secrets easily for not a single resident from the lowest servant to the king himself has a memory from before the palace existed In her quest to help the servants Josie becomes embroiled in courtly intrigues alongside the enigmatic captain As their feelings for each other grow the hopelessness of their situation becomes apparent How can she love a man who doesn t know his own past To make matters worse they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear **Close Liaisons** Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the

performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real u ngimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding **Love's a Witch** Tricia O'Malley, 2025-08-26
