Brain Training & Conversion ,2011-11-13 The brain gives us human potential to learn to dream to achieve and grow It is perhaps the most powerful and yet the most delicate organ in the body For many years it was assumed that brain cells could not grow past early childhood and would automatically degenerate as we reached our senior years But recent scientific research has broken the bondage and fatalism of such beliefs and demonstrated ways in which the brain can be trained enhanced and kept agile and alert every day of our lives to empower whatever we do Brain enhancement is the process of developing innate abilities that allow retention of memory When memory is retained a person functions better in society at work and at home The brain is an organ that produces thoughts and feelings the anatomy that controls the centre of the nervous system and vertebrae It not only enhances a person's intellectual abilities but also controls heart rate body temperature and blood pressure among other things In order to enhance the brain it is essential to improve the Central Nervous System CNS the spinal column and one's overall health This little book offers new ways of thinking and appreciating what you can do for your brain so that the brain in turn helps you to achieve a better life

The Time Cure Philip Zimbardo, Richard Sword, Rosemary Sword, 2012-10-02 In his landmark book *The Time Paradox* internationally known psychologist Philip Zimbardo showed that we can transform the way we think about

our past present and future to attain greater success in work and in life Now in The Time Cure Zimbardo has teamed with clinicians Richard and Rosemary Sword to reveal a groundbreaking approach that helps those living with post traumatic stress disorder PTSD to shift their time perspectives and move beyond the traumatic past toward a more positive future Time Perspective Therapy switches the focus from past to present from negative to positive clearing the pathway for the best yet to come the future It helps PTSD sufferers pull their feet out of the quicksand of past traumas and step firmly on the solid ground of the present allowing them to take a step forward into a brighter future Rather than viewing PTSD as a mental illness the authors see it as a mental injury a normal reaction to traumatic events and offer those suffering from PTSD the healing balm of hope The Time Cure lays out the step by step process of Time Perspective Therapy which has proven effective for a wide range of individuals from veterans to survivors of abuse accidents assault and neglect Rooted in psychological research the book also includes a wealth of vivid and inspiring stories from real life PTSD sufferers effective for individuals seeking self help their loved ones therapists and counselors or anyone who wants to move forward to a brighter future
