The End of an Era: The TikTok Shutdown in the USA Guillaume Lessard, 2025-01-10 Explore the rise and fall of one of the most influential social media platforms of our time in *The End of an Era: The TikTok Shutdown in the USA*. This captivating eBook authored by Guillaume Lessard delves deep into the extraordinary journey of TikTok its meteoric rise as a cultural phenomenon its role in shaping modern digital trends and the geopolitical forces that ultimately led to its shutdown in the United States. From viral dance challenges to political advocacy TikTok redefined social media and empowered creators around the globe. But behind the scenes concerns over data privacy national security and international relations sparked a battle that would reshape the tech industry forever. In this detailed exploration you will discover The origins and revolutionary success of TikTok The complex interplay of technology politics and culture that led to its ban The impact on influencers businesses and global audiences Lessons for tech companies navigating an increasingly interconnected and regulated digital world. Whether you're a tech enthusiast a social media aficionado or simply curious about the forces shaping our digital age this book provides an insightful narrative on the collision of innovation regulation and public opinion. *The End of an Era* is more than just a story about a social media app it's a cautionary tale and a testament to the enduring power of digital platforms to influence our world.

New Developments in the Trilateral Relationship between the United States, Taiwan, and China Charles K.S. Wu, Yao-Yuan Yeh, 2025-03-15 Taiwan has become a new flashpoint in Sino U S relations in recent years. The nation just concluded its presidential and legislative elections in January 2024. The incumbent Democratic Progressive Party (DPP) won a pyrrhic victory with DPP keeping the presidential seat but losing the majority in Taiwan's Legislative Yuan Congress. The political status of Taiwan is one of the few if not the only issues that have won bipartisan support. *New Developments in the Trilateral Relationship between the United States, Taiwan, and China* analyzes the three way relationship and raises numerous questions that are urgently awaiting answers. The book advances our understanding of some of the pressing issues in this relationship. These questions include but are not limited to how does the U S public view the trade war against China? How do they perceive China in general? What extent could the Indo Pacific Economic Framework for Prosperity (IPEF) support U S economic competition with China? As for Taiwan to what scope do China's campaigns infiltrate and influence political attitudes? Considering its geographic proximity to Taiwan how does the immigration from Hong Kong influence Taiwan?
