Sport Facility Operations Management Eric C. Schwarz, Stacey A. Hall, Simon Shibli, 2015-06-05 Anybody working in sport management will be involved in the operation of a sports facility at some point in their career. It is a core professional competency at the heart of successful sport business. Sport Facility Operations Management is a comprehensive and engaging textbook which introduces cutting edge concepts in facilities and operations management including practical guidance from professional facility managers. Now in a fully revised and updated second edition which introduces new chapters on capital investment and operational decision making, the book covers all fundamental aspects of sport facility operations management from a global perspective including ownership structures and financing options, planning, design and construction processes, organizational and human resource management, financial and operations management, legal concerns, marketing management and event planning, risk assessment and security planning, benchmarking and performance management. Each chapter contains newly updated real world case studies and discussion questions. Innovative Technology Now features and step by step guidance through every element of successful sport facilities and operations management while an expanded companion website offers lecture slides, a sample course syllabus, a bank of multiple choice and essay questions, glossary, flashcards, links to further reading and appendices with relevant supplemental documentation. With a clear structure running from planning through to the application of core management disciplines, Sport Facility Operations Management is essential reading for any sport management course.

Sales and Revenue Generation in Sport Business David J. Shonk, James F. Weiner, 2021-10-21 The ability to generate sources of revenue continues to be the most important skill for individuals working in the sport industry. Sales and Revenue Generation in Sport Business With HKPropel Access provides a comprehensive overview of the many ways in which sport organizations generate revenues and it teaches students the practical concepts they will need for success. Going beyond theoretical concepts of sales and sales management, the authors present an applied approach to revenue generation in sport: the PRO method of sales. PROspect, PRObe, PROvide, PROpose, PROtect. Students will learn how this proven five step process for generating revenue is applicable across all avenues in sport business including ticket sales, broadcasting and media revenue, sponsorships, corporate giving and foundation revenue, fundraising and development grant writing, concessions, merchandising and social media. The text covers how this sales strategy can be applied across the broad industry of sport from professional sport and intercollegiate and interscholastic athletics to amateur sport and organizations in recreational settings, equipping students for meaningful careers with longer lasting success within any segment of the sport industry they enter. Throughout the text, themed sidebars provide examples of industry best practices and successful sales strategies. Case studies in each chapter plus discussion questions enhance the learning experience. Plus related online learning activities delivered through HKPropel offer practical interactive scenarios that will better prepare students to enter the sport industry. Organized by function of revenue.

generation each section offers a video an interactive scenario activity that can be assigned by instructors and sales script templates that may be downloaded and edited for a specific application Sales and Revenue Generation in Sport Business is designed to give students the practical knowledge they need to understand the sales process and how to successfully apply the PRO method of sales Armed with this foundational knowledge they will be better prepared to begin and succeed in a career in sport business Note A code for accessing HKPropel is not included with this ebook but may be purchased separately
