Certain Victory: Images of World War II in the Japanese Media David C. Earhart, 2015-06-01 This unique window on history employs hundreds of images and written records from Japanese periodicals during World War II to trace the nation s transformation from a colorful cosmopolitan empire in 1937 to a bleak total war society facing imminent destruction in 1945 The author draws upon his extensive collection of Japanese wartime publications to reconstruct the government controlled media s narrative of the war s goals and progress thus providing a close up look at how the war was shown to Japanese on the home front Many of these visual and written sources are rare in Japan and were previously unavailable in the West Strikingly the narrative remains consistent and convincing from victory to retreat and even as defeat looms large Earhart s nuanced reading of Japan s wartime media depicts a nation waging war against the world and a government terrorizing its own people At once informed scholarly and readily accessible this lavishly illustrated volume offers an accurate representation of the official Japanese narrative of the war in contemporary terms The images are fresh and compelling revealing a forgotten world by turns familiar and alien beautiful and stark poignant and terrifying A New Era R.E. Davies, 2025-08-06 The Onis Chronicles starts a new tale 18 years after the Reign of the Ancients has ended Discover what happens in the land of Onis as a New Era begins No one can escape the events of the past as they shape the future After losing her baby brother Eivelyn dreamed of becoming a great physician and the sensible human maiden had a plan She and her family would travel from their quaint little home on Iyos Island to the human capital Roco where she would work until she could attend the academy and achieve her dreams There was nothing extravagant or particularly thrilling in her life choice of becoming a physician That is there shouldn t have been When following her dreams throws Eivelyn into a tangled web of secrets the maiden must fight to survive and discover the truth about her past present and future But while Eivelyn is unraveling her own veil even more will be uncovered with it Nearly nineteen years have passed since the Reign of the Ancients ended and a New Era had begun and with it a new race As the Humans Elves Drow and Dwarves rebuilt and expanded their nations they remained unaware of another nation growing in secret The Draikuva With the Draikuvans growing desire to explore and discover their place in the world one amongst them is determined to make that happen When Allizea gets the idea that their mother is still alive she will stop at nothing to discover the truth for herself Join Eivelyn and Allizea as they find their places in Onis and make their marks toward its fate **The New Trading for a Living** Alexander
