Cameron, 2017 This book charts the story of Navy football and steers readers through the reemergence of an iconic program representing our nation's finest Navy football holds a unique place in college athletics as one of the oldest and most prestigious programs the game has ever known During the 1950s and 1960s the Midshipmen were nationally recognized by the major bowl games they played and Heisman Trophy winning players Joe Bellino and Roger Staubach Although the program struggled mightily to maintain relevance in subsequent years Athletic Director Chet Gladchuk kick started the renaissance of Navy football by hiring Coach Paul Johnson in 2001 The team's current coach Ken Niumatalolo once fired by the academy in the dining room of a McDonald's in 1998 returned to become the winningest coach in school history Cameron charts the story of Navy football and steers readers through the reemergence of an iconic program representing our nation's finest *Business Mexico*, 1993 **The New York Times Index**, 2009 **Among the Braves**

Shibani Mahtani, Timothy McLaughlin, 2023-11-07 Through the eyes of two frontline journalists comes a gripping narrative history of the Hong Kong pro democracy movement centered around a cast of four core activists culminating in the 2019 mass protests and Beijing's brutal crackdown Hong Kong was an experiment in governance Handed back to China in 1997 after 156 years of British rule it was meant to be a carve out between hostile systems a bridge between communism and capitalism authoritarianism and liberal democracy One country two systems kept its media free its courts independent and its protests boisterous designed also to convince Taiwan of a peaceful solution to Beijing's desire for reunification Yet this formulation excluded Hong Kong's own people their future negotiated by political titans in faraway capitals In 2019 an ill conceived law spear headed by a sycophantic leader pushed millions to take to the streets in one of the most enduring protest movements the world has ever seen Xi Jinping responded with a draconian national security law that sought not only to end the demonstrations but quash the problem of Hong Kongers identity and desire for freedom Reverend Chu who believed Hong Kong had to carry the spirit of students at Tiananmen Square saw his silver haired comrades who birthed the city's modern pro democracy movement handcuffed and taken from their homes Tommy an art student radicalized into throwing Molotov cocktails watched braves like him brutalized by police before his own arrest prompted him to flee Finn epitomized the decentralized nature of the movement and its internet fueled victories but online anonymity couldn't stop his life from unravelling Gwyneth could predict her eventual fate when she chose to give up her career as a journalist to stand for election as an opposition candidate and did it anyway In *Among the Braves* Shibani Mahtani and Timothy McLaughlin tell the story of Hong Kong's past and what the sacrifices of its people mean for global democracy's shaky foundation
