Sound & Communications ,1994 *House & Garden* ,1981 *CTV Advertising. Can TTD Lead the Way with Neuromarketing?* ,2023-04-21 Seminar paper from the year 2022 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 0 Hult International Business School language English abstract The Trade Desk hereinafter TTD is a global technology firm with a focus on real time programmatic marketing automation solutions goods and services TTD identifies the main challenge on how TTD should work with significant TV platforms and providers to help drive this culture change among advertisers A potential for marketers has arisen as a result of the emergence of CTV More influential platforms including Netflix Disney and HBO Max have lately committed offering discounted subscriptions in return for a few minutes of ads between series and movies The promise of highly targeted data driven ad impressions for TV which is frequently the largest campaign component has replaced the conventional upfront approach where marketers commit billions in advance with no clear notion of who will see their ads To delve into this problem and narrow it down to finally come up with a more detailed research question the peel the onion approach was used The funnel process within the framework of this research entails current data and its outlook of the ads market both for traditional as well as CTV ads a breakdown of both advertisement methods its bidding allocation processes differences as well as its ad and disadvantages are explored

Furthermore the significance of data collection opportunity for CTV ads and problems that might arise with it are discussed addition ally to opportunities and risks that could emerge with this new shift to CTV ads before finally ending in the research question Can TTD revolutionize CTV advertising through neuromarketing and establish itself as the leading software platform for CTV platforms by displaying highly personalized ads to each unique user Even though the current CTV advertising already provides promising metrics to measure the success rate of the respective advertisements ads are only distributed to the according series and movies rather to the user him herself Thus if TTD would establish a solution to be able to show specific ads to specific users the value both quantitative ROI and qualitative visiting the website shopping the product will increase significantly Screen Digest ,2005 TCI ,1996 The New York Times Magazine ,2004 Predicasts F & S Index United States Predicasts, inc,1991 A comprehensive index to company and industry information in business journals **Newsweek** ,1998 **House Beautiful** ,1994 *The Billboard* ,1926 **New York** ,2006 **PC Magazine** ,1999 **The Ladies' Home Journal** ,1999 **Broadcasting** ,1965-10 *The New Hollywood* Jim Hillier,1992 The studio system which had dominated Hollywood for more than half a century finally fell apart in the late 1960s The uncertainty that followed opened the way for independent producers many of whom were already specializing in exploitation movies with titles like Slumber Party Massacre which were targeted at the 12 to 20 year old age group These films with their starvation budgets and impossible shooting schedules gave a start to a number of notable directors Others were meanwhile trying their luck in television or shooting experimental movies The first post studio directors the so called movie brats Spielberg Lucas Coppola Scorsese and De Palma are now famous Behind them has come a new generation of directors often controversial who now make some of Hollywood s most interesting pictures This book based on in depth interviews looks at the experiences of some thirty of them in getting established and keeping afloat in the new Hollywood Drawing upon information gathered in interviews more often than quoting directly from them Jim Hillier has produced an absorbing account from the filmmakers viewpoint of the business of filmmaking Some of the new generation of directors have already had hits such as Terminator James Cameron The Silence of the Lambs Jonathan Demme Gremlins Joe Dante Sleeping with the Enemy Joseph Ruben and Look Who s Talking Amy Heckerling Others continue to make inexpensive horror movies Yet others divide their time between cinema and television among them Michael Mann who directed Manhunter for the cinema and produced Miami Vice and Crime Story for television and David Lynch of Blue Velvet Wild at Heart and Twin Peaks Among those included are Bill Duke A Rage in Harlem Mike Figgis Internal Affairs Randa Haines Children of a Lesser God Tim Hunter River s Edge Spike Lee Do the Right Thing Jim McBride The Big Easy and Susan Seidelman Desperately Seeking Susan Today the name Hollywood conjures up not simply tinseltown itself but the whole of the American film industry The New Hollywood bears witness to the diversity and vigor still remaining in an industry that over the past twenty years has become more dispersed less rigidly organized and much more costly Jim Hillier s book provides the essential background to understanding the
