Dear Student Loan Department,

I am writing to formally request a student loan to assist with my educational expenses for the upcoming academic year. I am currently enrolled at the University of Advanced Studies pursuing a Bachelor of Science in Computer Engineering degree, and I require financial assistance to cover tuition, books, and other related costs.

I am requesting a loan amount of \$15,000, with the intention of repaying it over a period of 10 years. I am prepared to accept the standard terms of your student loans, including the annual interest rate of 3.5%. I would appreciate it if you could provide me with the details regarding the repayment schedule, including the first payment due date and any options for deferment or forbearance if needed.

Enclosed are my completed loan application form, proof of enrollment, and my current academic schedule. Please let me know if there are any additional documents or information required to process my loan request.

Thank you for considering my application. I look forward to your response.
