Living the Good Long Life Martha Stewart, 2013-04-23 Martha Stewart's engaging handbook for living your healthiest life

after 40 with expertise from doctors and specialists on eating exercise wellness home and organizing as well as caring for others Martha Stewart's *Living the Good Long Life* is a practical guide unlike any other honest and upbeat with clear and motivating charts resources and tips from doctors and wellness specialists From the best ways to organize your home to protecting your mental well being and appearance as you age this book gives accessible ideas that you can incorporate every day And when it's time to explore caregiving for others you'll know how to enrich their quality of life while preventing your own fatigue Martha's 10 Golden Rules for Successful Aging provide a framework for chapters that cover your changing needs with every decade including Healthy Eating Stock a healthy pantry for your dietary needs Healthy Fitness Stand strong on your feet by increasing your balance endurance and flexibility A Healthy Brain Stimulate new brain activity to prevent memory loss A Healthy Outlook Maintain a sense of daily purpose by strengthening social connections Healthy Living Every Day Medicate wisely while paying attention to aches and pains Healthy Looks Take care of your skin and match your makeup to your age Healthy Home Create a home that is a reflection of how you want to live Healthy Living into the Future Be your own wellness CEO to prevent future illness Healthy Caring Prepare for helping others while caring for yourself and much more Healthy living begins with establishing small habits and with *Living the Good Long Life* you'll have a dependable source for thriving in your 40s 50s 60s and beyond In my Foundation's health initiatives and in my own life I've seen again and again how even small measures to improve your health can make a big difference *Living the Good Long Life* is full of simple ideas that can be incorporated into daily routines to help you feel better and keep on doing what you love President Bill Clinton For thirty years Martha Stewart has carefully coached us on how to take care of our homes our menus our crafts And now in *Living the Good Long Life* she has brought her brilliant skills to the mission of helping us take care of ourselves With sparkling prose no nonsense instruction and as always oceans of wisdom Martha implores readers not to recoil from their advancing years but to embrace and celebrate them with invaluable tips on keeping our diets healthy our bodies pumping and our outlook forever sunny I just loved this book Marlo Thomas *Lets Walk* Kathy Craig, Thomas Craig, 1997 **The**

Missionary Seer, 1993 **The Saturday Evening Post**, 1929 **The Good Housekeeping Illustrated Guide to Women's Health** Kathryn Cox, 1995 More than ever women are taking charge of their own health No longer content to let the doctor decide they are demanding a say in picking the therapy or procedure that's best for them Indeed American women are envied around the world because they have so much control over their bodies With this newfound control comes the responsibility to be a truly informed partner in making important medical decisions This means keeping abreast of new scientific developments and knowing what questions to ask or where to find the answers no easy task given the sometimes overwhelming and often conflicting flood of medical information available through the media and other sources With this in mind the editors of *Good Housekeeping* have created the *Illustrated Guide to Women's Health* a timely and thorough text compiled by a team of medical experts These highly respected specialists represent the spectrum of women's health concerns

from internal medicine endocrinology rheumatology breast surgery and plastic and reconstructive surgery to psychiatry occupational medicine nutrition and exercise physiology Unlike general health books that concentrate heavily on male health issues this book focuses solely on a woman's body her medical needs and the social issues she faces from adolescence to old age Like other books on women's health it provides sound information and advice about pregnancy childbirth menstruation menopause and other facets of gynecologic health But unlike most other books for women it also addresses such topics as heart disease occupational health hazards stress management and physical fitness facets of health that are just as critical to women as to men There's also a full color atlas of the female body and its various systems as well as an illustrated encyclopedia covering scores of disorders diagnostic procedures and treatments Throughout the text is written in clear understandable language supported by illustrations that make even the most complex material easily understandable Above all its tone is straightforward non political and objective Regardless of which roles you fill as a woman wife mother daughter caregiver employee we think you'll agree that *The Good Housekeeping Illustrated Guide to Women's Health* is the one indispensable book designed to make you an informed partner in your own health care

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Glamour, 1990-12 Time Briton Hadden, Henry R.
