Small Stages Aubrey Huber, Chris McRae, 2025-11-28 *Small Stages* Cabinets Dioramas and other Tiny Performances is a consideration of small stages as unique and generative sites for creating and presenting performance. The book examines the ways in which small stages are diminutive sites of performance that derive meaningfulness from the size of the performance area. Organized around four distinct types of small stages such as cabinets of curiosity dioramas, little free book exchanges, and tiny desk performances, this book explores how meaning can be created in these unusual performance areas. Each chapter considers the embodied functions, performative and affective qualities, and pedagogical implications of these small stages. The final chapter of the book presents the practice of creating digital archives as a small stage and performance. The appendix offers two sample assignments for use or adaptation in a range of courses in performance theatre education, humanities, and cultural studies. Ideal for students and scholars of performance studies and theatre, as well as researchers in wider associated fields such as media studies, communication studies, and visual arts. *Strong from the Heart* Jon Land, 2025-08-22 Caitlin Strong wages her own personal war on drugs against the true power behind the illicit opioid trade in *Strong from the Heart*, the blistering and relentless 11th installment in Jon Land's award-winning series. The drug crisis hits home for fifth-generation Texas Ranger Caitlin Strong when the son of her outlaw lover Cort Wesley Masters nearly dies from an opioid overdose. On top of that, she's dealing with the inexplicable tragedy of a small Texas town where all the residents died in a single night. When Caitlin realizes that these two pursuits are intrinsically connected, she finds herself following a trail that will take her to the truth behind the crisis that claimed 75,000 lives last year. Just in time, since the same force that has taken over the opiate trade has even more deadly intentions in mind: specifically, the murder of tens of millions in pursuit of their even more nefarious goals. The power base she's up against comprised of politicians and Big Pharma, along with corrupt doctors and drug distributors, has successfully beaten back all threats in the past. But they've never had to deal with the likes of Caitlin Strong before and have no idea what's in store when the guns of Texas come calling. At the root of the conspiracy lies a cabal nestled within the highest corridors of power that's determined to destroy all threats posed to them. Caitlin and Cort Wesley may have finally met their match, finding themselves isolated and ostracized with nowhere to turn, even as they strive to remain strong from the heart. Caitlin Strong is my kind of gal. Lisa Scottoline, *New York Times* bestselling author. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Catalina* Bryan Sanders, Charmaine Zabat, 2025-08-01 Daisy Scott, a tabloid reporter and retired rock drummer in Queens, NY, discovers that a manananggal, a winged shape-shifting Filipino monster, may be responsible for mysterious deaths in NYC. To land the scoop without losing her life, she'll need the assistance of a former bandmate and some new Pinoy friends, including a kooky anthropologist and a posh monster hunter. *WTF* Clinton Emslie, 2025-09-19 A humorous book about taking common sense off life support. This collection of satirical short stories and novellas follows a dry, stubborn narrator who

call the Logical Mind as it wanders through today's chaos with a raised eyebrow and a pocket notebook Each piece pokes at the places where reason went missing and leaves a small marker where we might find it again Politics pop culture family group chats customer kings and online experts with diplomas from the University of Nowhere all make an appearance The tone is warm sharp and human The jokes land then the truth does You will laugh wince and recognize yourself in the best possible way Beneath the humor sits a simple invitation Let's stop pretending we are strangers Let's spot the patterns we share name the stories we tell ourselves and make one quiet repair at a time The Logical Mind is not a scold it is a companion that taps your shoulder and asks kindly Are we sure By the last page you will have met neighbors you thought you disliked found a version of yourself you forgot to root for and felt a nudge to do one practical decent thing before bed Read for the wit stay for the recognition leave with a plan to be slightly braver and a lot more honest tomorrow
