Description of Films and Filmstrips Shown ,1961 *Comic Drunks, Crazy Cults, and Lovable Monsters* David Scott Diffrient, 2022-12-01 Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of

programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as *The Honeymooners* *All in the Family* and *Roseanne* to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing

Some of the Parts Hannah Barnaby, 2016-02-16 For fans of *Love Letters to the Dead* and *I'll Give You the Sun* comes a heartrending story of a teen who sets out on an unusual quest For months Tallie McGovern has been coping with the death of her older brother the only way she knows how by smiling bravely and pretending that she's okay She's managed to fool her friends her parents and her teachers yet she can't even say his name out loud N is as far as she can go Then Tallie comes across a letter in the mail and it only takes two words to crack the careful facade she's built up ORGAN DONOR Two words that had apparently been checked off on her brother's driver's license two words that her parents knew about and never revealed to her All at once everything Tallie thought she understood about her brother's death feels like a lie And although a part of her knows he's gone forever another part of her wonders if finding the letter might be a sign That if she can just track down the people on the other end of those two words it might somehow bring him back Hannah Barnaby's deeply moving novel asks questions there are no easy answers to as it follows a family struggling to pick up the pieces and a girl determined to find the brother she wasn't ready to let go of

Jr.'s Angel Victor C. Brown Jr., Joan L. Brown, 2015-01-31 How did an angel enter Victor Wolf's life The answer was simple at the hockey rink when a little schoolteacher asked a favor of him to bring her the head of a poisonous snake when he went snake hunting She didn't look like an angel The deep discolored circles under her eyes reminded the coach of a raccoon She looked as though she hadn't had a good night's sleep in a while The tough hockey coach didn't look much better He also had circles that everyone said were from too much nightlife They each had their dark secrets Jr.'s Angel intertwines the coach and the teacher as they reveal details of their pasts The coach played a chess game with God for much of his life As the game neared its end the coach realized that God would always be the Winner As though to make amends God sent him the only woman Victor Wolf ever really loved The file cabinet is nearly empty although a few notes remain Now I had begun to store my notes that covered twenty years of my life and adventures with my husband As I filed some papers I came across a book by one of Vic's favorite authors Ernest Hemingway

Hidden inside was a quote by Hemingway Every mans life ends the same way It is only the details of how he lived and how he died that distinguish one man from another This folded scrap of paper held a clue to Vics philosophy Vic loved Hemingway because the man wrote about how he had experienced life Vic knew the best fiction had to be based upon reality and experience Vics notes and writings revealed how he lived life But his life held sorrow and disappointment until he met the woman who introduced him to the concept of love Vics story had left many unanswered questions This book fills in the missing gaps of many characters Jr s Angel is a tribute to love a word that a tough guy couldnt speak until he fell under the influence of a little schoolteacher who had been abused and put in a corner She survived somehow Once she met the tough guy she flourished The two found each other warrior and angel Unselfish love and dedication allowed each to thrive He became her true love and hero she became his angel on this earth *Dry Goods Merchants Trade Journal* ,1929
