actionable program for building an authentic long lasting personal brand explaining why exposure is important and how it cultivates more durable connections than any polished persona can. By creating a personal brand that's honest and authentic and that reveals personal struggles you'll build stronger longer lasting relationships and achieve greater success. Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell. Because they're founded on durable robust relationships they're rock solid and better withstand business uncertainty and tough times. Ditch the act, be real and jump ahead of the competition before they even know you are there.

Influencer Marketing in Social Networks as a Strategic Tool in Social Media Marketing, 2022-02-17 Seminar paper from the year 2017 in the subject Business economics Offline Marketing and Online Marketing grade 1.7 Private University of Applied Sciences Goettingen language English abstract What makes marketing with influencers so promising and how can influencer marketing in social networks be implemented as a strategic instrument in social media marketing. First the development and growth in importance of corporate marketing activities is presented against the historical background of the past 60 years and how marketing and its focus have changed significantly over this time. In this context the emergence of online marketing social media marketing and above all influencer marketing will be elaborated and it will be explained what makes influencer marketing so interesting for companies and their marketing objectives and how this differs from classic forms of marketing. Subsequently it is explained how influencer marketing can be used as a strategic tool in social media marketing. To this end three social media platforms that are particularly relevant for influencers will first be presented: Weblogs, YouTube and Instagram. Then it will be worked out how companies can find and win over the influencers relevant to their marketing goals and which areas of application come into question for influencer marketing. In addition possible risks that influencer marketing can entail are highlighted.
