Swords and Spells and Homicide Patti Larsen, 2025-11-15 I have to say I'm kind of into the corset, but if one more person calls me lass, I'm losing it. When a Vermont-based LARP live-action role-play group comes to the White Valley Lodge for a visit, Daisy's life is interrupted by murder. Drawn into the mess when their friend and coworker Kit Somersby finds herself in the middle of a homicide investigation, the dynamic besties are on the case. But fantasy and reality are hard to separate when all of the suspects are literally not who they say they are. Nor will any of them break character, not even when threatened with legal action. Only the monarchs of their realm can order them to speak, and they're just as deluded as the rest. With Crew at wit's end, can Fee and Daisy infiltrate the roleplaying world convincingly enough to play by their rules, gain the favor of the king and queen, and solve the crime? **KEYWORDS:** cozy murder mystery series, small town cozy mystery, murder mystery series, dog cozy, private investigator

J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies, Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

Pages from the Book of Broken Dreams Kat Jackson, 2024-06-01 Emmalynn Gallagher threw caution to the wind once and found herself in the middle of a tornado. Needless to say she won't be doing that again. Now she fills her life with plans and to-do lists. Having moved home for a fresh start, Emma's facing the ultimate re-do list when she abruptly comes face to face with Aubrey Glass, the source of Emma's teenage yearning. Aubrey wouldn't recognize yearning if it tornadoed into her face, but she does recognize Emma even if she wishes she didn't. Socializing, especially with her past, is Aubrey's least favorite activity. She's tender in spots, no one can see, and would prefer to fade into the background. Amidst the backdrop of towering shelves of books and the persistent aroma of freshly brewed coffee, Emma and Aubrey navigate their post-high school reunion. With plenty of fumbles and missteps, it doesn't seem likely that they'll manage to merge their paths, nor does it always seem that they want to, until suddenly it's the only thing that makes sense to either one of them.
