Poets & Writers ,1999 Microtimes ,1995-11 **Woke Love** K. M D,2023-06-13 Shelby Ford Late forties Project Director from Perth The contractor Jaxon Reid Mid fifties Entrepreneur from Texas The client A short term contract An unlikely encounter A joy A lie A learning Shelby After a traumatic childhood and many failed relationships Shelby undertakes a journey of reflection and healing and builds a stable and secure life for herself Now fast approaching her fifties she dreams of exploring the world and experiencing new things She lands a short term contract overseas and takes her chance without hesitation Jaxon A man dedicated to his life mission and purpose A dedication that resulted in many failed relationships and a now noticeable silence in his heart and his home He longs for the one thing that has always eluded him a solid stable commitment A life story He knows it s time to forgive the past and open himself up to love again He also knows that if he wants a different outcome he must do it differently this time A chance encounter forces them both to reflect on what they ve learned and what they need and want from life and love As Jaxon and Shelby explore their needs and desires Shelby is forced to admit that she s living with a secret a secret that requires her to show her courage close a difficult chapter and learn some new lessons before she can be ready to receive the joy on offer If you believe in the power of desire that you are enough that the best love stories are life stories and if you re open to a new playlist for love this is the book for you **Cosmopolitan** ,1991-07 *Close Liaisons* Anna Zaires,2013-02-03 Demo [http youtu be YfUNCwJT_Wo](http://youtu.be/YfUNCwJT_Wo) Regular version of the book [https www.createSPACE.com](https://www.createSPACE.com) 4021797 Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone

wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real u ngimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding *The Offer* L.L. Equinox Wayne Kyle Spitzer,2018-12-18 It was a moment that would stretch indefinitely until they lay naked and depleted in the over cab bedroom of his fifth wheeler which was parked in the diner s back lot at which time she whispered even while edging toward sleep Your ring It glowed as we danced did you know that His body stiffened immediately It what Your hard to explain ring she said and giggled a little It it lit up Where on earth did you get that thing I ve never seen anything like He sat up with a start everything about him seeming suddenly electrified suddenly rigid What color was it She tittered hesitantly And that matters because He grabbed her by the throat not particularly hard but enough to hurt What color was it Her mind reeled Hasn t it always been just a matter of when Green It was green You re you re

hurting me He released her suddenly and looked out the window Green by the gods What shade He looked at her abruptly What shade Sarah She began to inch away from him slowly Just just green Dark green I think It it only did it for And then she was scrambling disentangling herself from the sheets tumbling dangerously down the thickly carpeted stairs climbing to her bare feet A gunshot rang out as she reached for the door and wood chips exploded from the cabinets above her Open that door and we die do you understand She looked to see him crouched at the top of the stairs pistol in hand The best we can hope for now is to remain still and pray they don't find us Now step away from the door do it She stared at him for several breaths her heart hammering in her chest wondering if he would really shoot if he was really that crazy Dark green by the gods Thazgul Yes she could see now that he was Could see it just as clear as day Could see that he'd always been crazy and had always looked it she'd just been too stupid to see too needy too agreeable Hasn't it always been just a matter of when
