Moore, Michael D. Murray, Kyu Ho Youm, 2021-09-30 This comprehensive textbook provides a thoughtful introduction to both the legal and ethical considerations relevant to students pursuing careers in communication and media The fully revised sixth edition continues to integrate fundamental legal and ethical principles with cases and examples from both landmark moments and recent history It expands upon the previous edition's exploration of international and non U S law introduces a new chapter on digital and social media and incorporates discussion of new technologies and media throughout its coverage of core topics such as privacy intellectual property defamation and commercial speech Coverage of contemporary court cases and congressional hearings brings readers up to date on the evolving discussion surrounding Facebook Twitter and today's other major online players This hybrid textbook is
