Music Along the Rapidan James Andrew Davis,2014-07-01 In December 1863 Civil War soldiers took refuge from the dismal conditions of war and weather They made their winter quarters in the Piedmont region of central Virginia the Union s Army of the Potomac in Culpeper County and the Confederacy s Army of Northern Virginia in neighboring Orange County For the next six months the opposing soldiers eyed each other warily across the Rapidan River In *Music Along the Rapidan* James A Davis examines the role of music in defining the social communities that emerged during this winter encampment Music was an essential part of each soldier s personal identity and Davis considers how music became a means of controlling the acoustic and social cacophony of war that surrounded every soldier nearby Music also became a touchstone for colliding communities during the encampment the communities of enlisted men and officers or Northerners and Southerners on the one hand and the shared communities occupied by both soldier and civilian on the other The music enabled them to define their relationships and their environment emotionally socially and audibly *Pacific Coast Musical Review* ,1913 **The**

This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult-to-accessible journals, newspapers, and other sources. This collection brings together these essays for the first time. *Star Turns and Cameo Appearances* Bernard Jacobson,2015 Up close and personal views by the renowned music critic and orchestra administrator of musical luminaries from Alfred Brendel to Jessye Norman and beyond. *Star Turns and Cameo Appearances* is the entertaining and insightful memoir by veteran music critic Bernard Jacobson. Its pages are populated by eminent composers ranging from Hans Werner Henze to Andrzej Panufnik and by renowned performers including Georg Solti, Daniel Barenboim, Sviatoslav Richter, and Jessye Norman. As a music critic and orchestra administrator, Jacobson has had the opportunity to observe these outstanding musicians and many of their colleagues at close quarters. Assisting Riccardo Muti at the Philadelphia Orchestra for eight years, he saw sides of that maestro not visible to the music-loving public. Throughout *Star Turns and Cameo Performances*, Jacobson adds his own sensitive and sympathetic view to public perceptions of musical luminaries of yesterday and today, helping to explain and illuminate their artistry. Bernard Jacobson has worked in the music field for over fifty years, including stints as recording executive, music critic of the *Chicago Daily News*, artistic director, and adviser for international orchestras in Holland, and visiting professor at Roosevelt University's Chicago Musical College. He has also performed and recorded as narrator of concert works and opera. ***The New York Times Index*** ,2006

The Supplemental Appropriation Bill, 1956, [exclusive of Military Construction] United States. Congress. House. Committee on Appropriations,1955 ***Information Resources for Institutional Animal Care and Use Committees*** ,2000 ***The Power of Practice*** Kristin Wendland,2024-01-01 *The Power of Practice* showcases the pioneering achievements of renowned violinist Yehudi Menuhin, 1916-99, and how both disciplines transformed his life and practice. Menuhin's contributions as a performer, teacher, and humanitarian are celebrated around the world. Less well known, however, is Menuhin's devotion to the practice of yoga and his close friendship with the renowned yogi B. K. S. Iyengar, 1918-2014, whose guidance profoundly influenced Menuhin as both a musician and a philanthropist. Menuhin applied his understanding

of Iyengar's teachings to his philosophy of musical practice creating new ways to approach the teaching of violin technique. He also took broader lessons from yoga to inform his approach to interacting with the larger world as a cultural ambassador and influential artist. Through the lens of the life and work of the celebrated violinist and devoted yogi, this book uncovers deep connections between music and yoga. It shows how the practice of both disciplines can profoundly transform our world into a better place.
