Tiktok Life Changer

I  _____ that social networks were just for connecting with friends and sharing silly memes. But now, it seems like they've taken over our lives! Everyone is constantly scrolling through their feeds, checking their notifications, and trying to keep up with the latest trends. And of course, there's TikTok - the app that seems to have taken the world by storm.

I  _____ without seeing people staring at their phones the whole time. But now, it seems like everyone is glued to their screens! And TikTok is the worst - you can't go five seconds without someone showing you a funny video or trying to teach you a new dance.

I  _____ outside of my phone, but now it feels like my phone is my life! But you know what they say - if you can't beat 'em, join 'em! So I decided to give TikTok a try. I  _____ it was just for teenagers doing silly dances, but now I realize that it's so much more than that. There are cooking videos, travel vlogs, and even educational content! Who knew that a social network could be so diverse? Of course, there are still some things about TikTok that I don't quite understand. I  _____ that lip-syncing was just for karaoke bars, but apparently it's a huge trend on TikTok. And don't even get me started on the whole "challenge" phenomenon - why do we need to dump buckets of ice water on our heads or try to balance eggs on spoons? It all seems a bit ridiculous to me!

But despite my initial skepticism, I have to admit that TikTok is kind of addictive. I  _____ one or two videos and then put my phone down, but now I find myself scrolling for hours on end. I guess that's the power of social networks - they suck you in and don't let go!

So if you see me dancing to a catchy TikTok tune or attempting a viral challenge, just remember - **I used to be a skeptic, but now I'm a TikTok convert!**
