[High-Yield Savings Vs. CD Ladders Vs. Series I Bonds](#) Joshua King,2022-09-21 With interest rates rising saving will be the new hotness But which saving vehicles are best for your portfolio Today I offer three ways to save money and earn a decent amount of interest Each has its benefits but using them together will give you the best results High yield savings accounts give you the lowest interest rate but the fastest access to your money CD Ladders give you tons of options for rates and holding periods You can use these to gain interest while seeing how interest rates look in the future Series I Bonds give you maximum inflation protection and will ensure your money grows with the economy Using these instruments together will help you build a massive savings portfolio to go with your investing strategy **Boost Your High-Yield Savings** Joshua King,2024-08-16 The days of earning 5% on your high yield savings account are coming to a close Interest rates should be around 3% within a year However to beat inflation we must generate at least 10% annual returns That leaves savers with a 7% gap so they can survive inflation and cost of living increases To best inflation we must think outside of the box We cannot depend on interest income from the bank to help us beat these price onslaughts Therefore we can increase our income by renting rooms trading options and high yield investing The only way to beat the capitalists is to join them Good Luck
