Scott, 2021-04-07

Classic Book Reviews and Timely Stories By Charles J. Scott. We all want to learn from perceptive, intelligent, and experienced individuals we admire so that we may live better lives ourselves. Obviously, we need good guidance and a positive influence on our thought processes for this purpose. That's why we read great books from knowledgeable sources and listen to our role models. Because he likes to reflect on the books he has read and incorporate the favorable impressions they have made on him into his daily activities, author Charles Scott developed the habit of writing a series of book reviews and short stories to commemorate the occasion. The reviews have provided him with a diving platform or a jumping off point of departure for making sound decisions and evaluating his actions. Consequently, the resulting stories represent a celebration of the life and times in which he has lived. They are meant to celebrate humanity in an otherwise uncertain world throughout the ages.
