the 175th Manchester derby They are first and second in the Premier League but today only one man can come out on top It is merely the latest installment in a rivalry that has contested titles traded insults and crossed a continent but which can be traced back to a friendship that began almost 25 years ago Barcelona late nineties Johan Cruyff's Dream Team is disintegrating and the revolutionary manager has departed but what will come next will transform the future of football Cruyff's style has changed the game and given birth to a generation of thinkers men like Ronald Koeman Luis Enrique Laurent Blanc Frank de Boer Louis van Gaal and Cruyff's club captain Pep Guardiola and a young translator Jos Mourinho The Barcelona Legacy is a book in part about tactics about how the theories that underpin the modern game were forged by Cruyff and his successors but also about the people and personalities who gathered at the Camp Nou for what was effectively the greatest coaching seminar in history about their friendships and rivalries and in one case an apocalyptic falling out that continues to shape the game today *Pep Guardiola - 88 Attacking Combinations and Positional Patterns of Play Direct from Pep's Training Sessions* Soccertutor Com,2019-07-11 This book gives you a rare opportunity to use Pep Guardiola's Practices and learn from one of the best coaches in the history of football The 88 Attacking Combinations and Attacking Positional Patterns of Play included are taken direct from Pep Guardiola's training sessions at Manchester City Bayern Munich and FC Barcelona *From Guernica to Guardiola* Adam Crafton,2018-05-03 As Pep Guardiola shatters records and confounds the norms of English football and players such as David De Gea and David Silva light up the national game Spanish stars are transforming the way English football is conceived But the origins of this particular Spanish invasion date back to 1937 when the Spanish Civil War led to a stream of refugees fleeing their country for the safe haven of England Their families reveal how the refugees learned the game here before returning to Spain where one would score Real Madrid's first goal in the Bernabeu stadium and another would be the first man to conceive of Barcelona's vaunted La Masia academy that would later launch stars such as Lionel Messi Cesc Fabregas and Xavi Hernandez In recent years the reputation of Spain's footballers has grown and every club craves a sprinkling of tiki taka magic Through dozens of exclusive interviews Adam Crafton has spoken to many of the key Spanish figures who have come to England and he creates a compelling portrait of their impact on the English game We discover how and why it is that some players such as Xabi Alonso Pepe Reina and Juan Mata have had great success here while others have toiled so painfully But this is not just a footballing story pure and simple Crafton provides the historical and social context that helps to explain how the relationship between the two nations is constantly changing yet always close For anyone who enjoyed Jonathan Wilson's *Inverting the Pyramid* or Sid Lowe's *Fear and Loathing in La Liga* this book is a revealing and brilliant insight into this most benign of Spanish invasions *Mastering the Premier League* Lee Scott,2020-05 Discover the secrets of the game model developed by Pep Guardiola that sets Manchester City apart from the rest When Guardiola joined Manchester City in 2016 there were doubts that he could replicate his successful model in the English game But after a single season of acclimatization we saw those doubts shattered as City won the

Premier League in 2017/18 with a record 100 points. Beyond the trophies and the records, however, lies a yet more intriguing story of how Guardiola adapted and perfected the tactical principles that had made him so successful at Barcelona and Bayern Munich, who played the key roles on the field enabling Manchester City's successes of 2017/19 and why the other Premier League sides were unable to stop the City juggernaut sweeping aside all in its path. **Pep Guardiola - 85 Passing, Rondos, Possession Games & Technical Circuits Direct from Pep's Training Sessions** SoccerTutor Com, 2019-09-20. After the hugely popular Volume 1, Volume 2 gives you another rare opportunity into Pep Guardiola's Training Sessions with 85 Practices taken directly from Pep's training sessions, including Technical Circuits, Passing Rondos, Positional and Possession Games, Small to Large Sided Games at Manchester City, Bayern Munich, and FC Barcelona. *The Barcelona Inheritance* Jonathan Wilson, 2018-11-06. From Cruyff's Total Football to the epic rivalry between Guardiola and Mourinho, a gripping chronicle of the rise and fall of Barcelona's dominance in world soccer. Barcelona's style of play, pressing and possessing, is the single biggest influence on modern soccer. In *The Barcelona Inheritance*, Jonathan Wilson reveals how and why this came to pass, offering a deep analysis of the evolution of soccer tactics and style. In the late 1990s, Johan Cruyff's Dream Team was disintegrating and the revolutionary manager had departed, but his style gave birth to a new generation of thinkers, including Pep Guardiola and Jos Mourinho. Today, their teams are first and second in the Premier League, marking the latest installment in a rivalry that can be traced back twenty-five years. *The Barcelona Inheritance* is a book about the tactics, the personalities, the friendships, and in one case, an apocalyptic falling out that continues to shape the game today.
