asunto que implica una perspectiva dinámica desligada de la visión nica del autor o de un nico observador tomando en cuenta la lectura de la obra como un acto histórico y a la vez transhistórico que sucede a través de la interpretación de múltiples lectores en tiempos distintos. Si bien habla de poesía su texto es extrapolable a la obra arquitectónica y así como la poesía existe a través de la lectura la arquitectura existe a través de la vivencia y la crítica. El autor o autora es el primer lector de su proyecto su lectura es consecuencia de su propio proceso creativo resultado del tiempo y espacio en el que lo desarrolla influido por aquellos que le anteceden por las tendencias contemporáneas y por el deseo de innovar. La lectura del autor aprehensible aquí a través de los textos de síntesis descriptiva de cada obra es en principio una primera lectura disciplinar sesgada por lo meramente cognoscible del acto de crear una lectura como la de un espectador ante el espejo. No obstante su visión es una lectura incompleta un producto que requiere de las interpretaciones y recreaciones de otros aquellos que observan viven retratan o critican su obra. Así la obra como tal no posee un carácter definitivo pues cada lectura produce una obra distinta sometida a un proceso de intersubjetivación tejiendo esa primera aproximación con el retrato de la obra por los fotogramas y su visión particular y en cierto modo tendenciosa con un metalenguaje propio que responde a la posición privilegiada de lo visual en la arquitectura y al discurso detrás de cada imagen congelada. Mi lectura procura integrar de manera discursiva aunque sintética estas lecturas sobre la presente selección de casas ecuatorianas una selección basada en la visión crítica de la obra inevitablemente subjetiva pese al bagaje y a la formación de quien escribe dejando abierto el discurso a la continuidad y a nuevas interpretaciones.
