Moments Sharon Johnson, 2018-03 Perfect Moments is a collection of short stories like nothing else you've ever read From the first moment until the last you'll be smiling laughing crying and cheering But most of all you'll be thrilled you took the time to read each one Everyday life can be stressful and very chaotic But every once in a while there's a moment that comes along and makes us smile That's what I like to call a perfect moment A reunion you never expected The best friend who becomes so much more A second chance at love An unexpected baby you never thought you could have and a call that will change everything Each moment in this book has a twist you'll never see coming but by the time the story is over you'll believe that perfect moments are possible too This book was formally called Poetry of the Heart but due to some confusion as to whether or not this was a book of poetry or short stories so it's been renamed added a new cover and new stories have been added *Business Review Weekly*, 1995
