Perimeters Of Light Biblical Boundaries For The Emerging Church:

Perimeters of Light Elmer L. Towns, Ed Stetzer, 2004-08-01 How far do we go to connect with our culture Can we sell the Gospel like the world sells soft drinks Where are the boundaries The church today is walking a tightrope On the one hand we need to proclaim and perhaps more importantly live the Gospel in such a way that it connects with both seekers and younger people looking for community and authenticity Yet at what point does this fall into feel good ministry at the expense of biblical truth These are issues that God's people are now beginning to wrestle with Elmer Towns and Edward Stetzer provide an intergenerational perspective that sheds biblical light on some tough challenges facing the church

Perimeters of Light ELMER L. STETZER TOWNS (ED.), Ed Stetzer, 2018-03 How much biblical contents is needed for a sermon to be true preaching Does God have a preferred style of Sunday worship What makes a church the Church Almost everyone knows the difference between light and darkness But what is the boundary between them When does a Christian leave the edge of light and enter the world of darkness Elmer Towns and Ed Stetzer explore critical issues related to the emerging church and provide biblical principles for penetrating the darkness of culture with the shining light of Christ's gospel Illuminating fascinating provocative Ed Hindson Assistant to the Chancellor Liberty University Lynchburg Virginia A solid read for college and seminary students A must read for pastors and pew dwellers Howard A Eyrich President Birmingham Theological Seminary A great tool for helping churches that want to reach out in a contemporary culture made sure they stay in the world but not of the world Charles Arn President Church Growth Inc Monrovia California

Perimeters of Light Elmer Towns, Ed Stetzer, 2018-03-20 How much biblical contents is needed for a sermon to be true preaching Does God have a preferred style of Sunday worship What makes a church the Church Almost everyone knows the difference between light and darkness But what is the boundary between them When does a Christian leave the edge of light and enter the world of darkness Elmer Baptists and the Emerging Church Movement David Mark Rathel, 2014-07-24 In Baptists and the Emerging Church Movement David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives A Sociology of Mystic Practices Dann Wigner, 2018-06-08 This book investigates

the process of spiritual borrowing between the emergent church EC and the Christian mystical tradition From its inception the EC has displayed interest in mystic practices but the exact nature of this interest or how these practices are appropriated and reinterpreted in the EC context has not been researched My research shows that the emergent church is appropriating Christian mystic practices by investing these practices with their own theological content The practices themselves are changed to fit in their new context showing that EC belief shapes EC behavior My study adds a new case study perspective to the sociological examination of the process of spiritual borrowing especially through close inspection of how a spiritual practice changes to fit a new theological context Additionally my book contributes to the study of the complex relationship between belief and behavior

By the Waters of Babylon Scott Aniol, 2019-03-21 A guide to biblically shaped worship which has the greatest missional impact in a post Christian culture By the Waters of Babylon examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an

increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post Christian context

Education Is Discipleship: So Who's Really

Discipling Your Kids? Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church **Southern Baptists, Evangelicals, and the Future of Denominationalism** David S. Dockery, Ray Van Neste, Jerry Tidwell, 2011-04-15 Leading Southern Baptist and Evangelical scholars R Albert Mohler Jr Ed Stetzer Timothy George etc discuss the most significant challenges within denominationalism and evangelicalism Compelled by Love Ed Stetzer, Philip Nation, 2008 Trusted missionologist Stetzer and pastor Nation challenge readers to look at love within the context of God the church and the lives of individual believers They provide a basic theological grounding and a platform for personal application of missional living simply the calling to love others **Identity Crisis** Dr. Bobby M. Wagner, 2016-06-29 THIS IS THE BEST WAY TO EXPERIENCE ALL YOU WERE CREATED FOR In Identity Crisis you will find power and purpose by putting your faith in the One who can transform your identity Even in crisis He can do far beyond anything you can imagine What s the greatest crisis in our world today Dr Bobby Wagner contends it is our inability to believe in the power of God in our lives Is it possible to read the Bible and believe God does not work powerfully through His people Our miraculous identity in Christ has not ceased our faith in it has It seems we are losing our faith in our God given identity in the Bible in the church and in our world A dramatic transformation takes place when you believe in the power of the Gospel As our unbelief continues one more person misses the Good News As a result of the nearly 75 million Americans who have trusted Jesus Christ for salvation more than 70 million have never shared the Good News In a postmodern and post Christian culture in the midst of a crisis of unbelief the only way souls will be touched is if God s people become witnesses of the power of the Gospel
