The Modern Anna Kate Blair,2023-08-30 In an age driven by desire what happens when you want two different things Set in the pristine precarious world of MoMA The Modern is a brilliantly

wry and insightful debut about art, sexuality, commitment, and whether being on the right path can lead to the wrong place. Longlisted for the Australian Book Design Awards 2024, things seem to be working out for Sophia in New York, having come from Australia to be at the centre of modernity. She's working at the Museum of Modern Art, living in a great apartment with a boyfriend, interviewing for Ivy League teaching positions. They're smart, serious, dine in the right restaurants, and have a little unexpectedly become engaged just before he leaves to hike the Appalachian Trail. Alone in the city, Sophia begins to wonder what it means to be married, to be defined publicly in the 21st century. Can you be true to yourself and someone else? In a bridal shop, she meets Cara, a young artist struggling to get over her ex-girlfriend, and the two begin a connection that leads Sophia to question the nature of her relationships, her career, and the consequences of being modern. Both playful and profound, inhabiting the gap between what we feel about ourselves and how we behave.

Anna Kate Blair's debut novel is a sparkingly insightful queer exploration of desire, art, and her generation's place in the world. It announces an exceptional new literary voice. Cerebral and sensual, each fork in the road revealing itself with insight and beauty.

Katerina Gibson, author of *Women I Know*: A dazzling exploration of desire and longing. Anna Kate Blair has given us a new form of fiction: intellectual, yearning, honest, and vulnerable.

Anne Casey Hardy, author of *Cautionary Tales for Excitable Girls*: This novel is a work of art. It made me laugh, feel lucky to be alive, and reminded me of the expansiveness of creativity.

Laura McPhee Browne, author of *Cherry Beach*: Blair's novel expertly blends dark, self-deprecating humour with a quest to know oneself through the lens of art. Sophia is a masterpiece of imperfection and an authentic millennial character.

Books Publishing: a tale of reckoning with oneself and an unshakable external reality.

ArtsHub: Blair has delivered a stellar debut. It is potent, passionate, and illuminating.
