Every touch point, every time you or someone in your company engages a customer, it creates an experience - something they remember. When they have a negative experience, they tend to vote with their feet (and their wallets) and head straight to your competitors. When customers have positive emotional experiences, it anchors them to your brand, your product or service, and ultimately to you.

Likewise a focus on customer satisfaction and loyalty will no longer give you the competitive edge. Delivering a legendary customer experience has emerged as the single most important competitive advantage for companies across all industries. In *People Love You* you'll learn the real secrets of customer experience including:

- Seven Essential Principles of Customer Engagement
- Five Levers for Creating a Legendary Customer Experience
- The Secret to Bridging the Experience Gap
- How to Leverage the Pull Strategy to Become a Trusted Advisor
