Hijacked! Clarence Washington Sr., 2025-05-01 ABOUT THE BOOK The first four volumes of Hijacked How Dr King's Dream Became a Nightmare explores the goals that must be achieved and the methods that must be used to fix what is wrong with America However these things have been hijacked by various forces including some super natural spiritual forces and caused the once unthinkable devastating nightmare in America which we are now experiencing These dark forces must be dealt with through an effective super natural spiritual warfare prayer strategy Volume 5 The Demonic explores everything that We the People need to do this and bring America back from the brink of total decline and destruction And Volume 6 explores the great mercy extended to America on November 5 2024 by the God orchestrated landslide victory of Donald Trump instead of giving us what we deserved because of the wickedness of America which was Kamala Harris But instead God looked pass our faults and saw our needs However the church must initiate a nationwide revival to accompany the reformation promised by Donald Trump so that the reformation remains for more than just his presidency Simply put America is at the crossroads of revolution and civil war or reformation and revival in other words the crossroads of The End or The Last Chance God orchestrated the reformation through the landslide victory of Donald Trump and a conservative majority US Senate and House Now it's on the church to conduct a nationwide revival to accompany the reformation because both are needed to feed on and maintain each other as comprehensively explored in volume 6 Now it's on the church to conduct a nationwide revival to accompany the reformation **People Sharing Jesus** Thomas Nelson

Publishers,1995 *Recovering the Full Mission of God* Dean Flemming,2013-10-04 Should our proclamation of the gospel be in words or deeds or both What do the Scriptures say New Testament scholar and missionary Dean Flemming takes a look at this disputed question Rooted in the Old Testament and covering the Gospels Paul Acts Peter and Revelation Flemming provides a biblically sound basis for holistic evangelism *Winning Others For God: Effective Gospel Sharing* Carl Shank,2018-07-25 Effective evangelism Many scholars and theologians and pastors and teachers have sought to deal with the issue of effective gospel witness or biblical evangelism Have we really followed Jesus in the realm of reaching others for Jesus That is the question that drives this new book for effective evangelism in our day **The Fifth Gospel** Bobby Conway,2014-08-01 There are five Gospels Matthew Mark Luke John and the Christian But most people never read the first four There are any number of books on how to do evangelism This book is different it s an invitation to actually live out the message of the gospel Jesus s original intention was for ordinary people like you and me to live lives that point others to the only Person who can give them hope for this life as well as the next to visibly display the Good News of salvation through the Messiah and Redeemer of humankind But many Christ followers today are either ridden with guilt for not telling others about Jesus or so silent that no one really knows they re a Christian The Fifth Gospel will help you wrestle with the critical issues involved in living out your faith in front of a watching and sometimes not so friendly world Isn t it time to become a witness for the One you profess to love Prepare yourself to represent your Savior well and to discover a new way to do evangelism Get ready for God to unleash the gospel through you **Anglican Evangelists** Martyn Snow,2019-06-03 For twenty years the Archbishops College of Evangelists has affirmed and supported Anglican evangelists This book marking the College s twentieth anniversary relaunched the College with a clear focus on identifying and training new evangelists This book then marks a significant transition The thirteen authors work in a range of contexts and come from different traditions within the church Their focus in this book is less on the nature of evangelism and more on the calling and gifting of the evangelist In different ways they reflect on the questions what is an evangelist How should the church identify and affirm evangelists How do we train evangelists How do we enable evangelists to equip all God s people to witness to the kingdom of God The thirteen contributors are all practitioners and this is reflected in their range of experience and writing styles Some take a deeply biblical and theological approach Others reflect on their personal journey and learning Others offer practical insights and a helpful reframing of the initial questions All of them are fervent in their plea to the church to recognise the unique calling and gifting of the evangelist and reflect on how this gift is received and passed on within the church
