PERSIAN LETTERS

MONTESQUIEU was born Charles-Louis de Secondat in 1689 at the château of La Brède, south of Bordeaux. He was educated by the Oratoriens at the Collège de Juilly in Meaux and completed a law degree at the University of Bordeaux in 1708. After a few years in Paris he returned to Bordeaux in order to manage the family estates following the death of his father. He married Jeanne Lartigue, a practising Calvinist, with whom he had three children. In 1716 he joined the Academy of Bordeaux and was its director for the year in 1718. On the death of his uncle he inherited the title of baron de Montesquieu and the post of *président à mortier* at the Parlement of Bordeaux where he had begun his career in law. From an early age he manifested a ceaseless intellectual curiosity and devotion to extensive scholarship. He pursued through systematic investigation the numerous factors that shape societies and an understanding of them. In 1721 he published the *Persian Letters* (*Lettres persanes*), anonymously in Holland; his authorship, which became an open secret, gained him entry to the literary salons of Paris, where he lived from 1721 to 1725. Elected to the Académie Française in 1728, he sold his judicial office and travelled around Europe for three years. On his return he continued his scholarly research. His work on the ancient Romans addressed fundamental issues in the philosophy of history and prompted thinking about forms of government that would inform his later work. In 1748 his major work, *The Spirit of the Laws* (*De l'esprit des lois*), was published in Geneva. Despite progressive eye-trouble, he published a *Defence of the Spirit of the Laws* in which he repudiated the allegation that he was a deist, and began work on 'An Essay on Taste' for Diderot's *Encyclopaedia*. In 1754 he published an extensively revised version of the *Persian Letters*, acknowledging authorship for the first time. He died in Paris in 1755.

MARGARET MAULDON has worked as a translator since 1987. For Oxford World's Classics she has translated Zola's *L'Assommoir*, Stendhal's *The Charterhouse of Parma*, Maupassant's *Bel-Ami*, Constant's *Adolphe*, Huysmans's *Against Nature* (winner of the Scott Moncrieff prize for translation, 1999), Flaubert's *Madame Bovary*, and Diderot's *Rameau's Nephew and First Satire*.

ANDREW KAHN is Fellow and Tutor in Russian at St Edmund Hall, Oxford, and University Lecturer in Russian at the University of Oxford. He works on the literature and history of ideas of the European and Russian Enlightenments. He is the editor of the *Cambridge Companion to Pushkin* (2007), and of Pushkin's *The Queen of Spades and Other Stories* for Oxford World's Classics. His most recent book is *Pushkin's Lyric Intelligence* (2008).

A Hero of Our Time Mikhail Lermontov, 2013-04-11 In *A Hero of Our Time* the first great Russian novel a young officer passionate and world weary is posted to the Caucasus and becomes involved in a series of adventures A dazzlingly original work of fiction the novel is newly translated together with Pushkin s travel narrative *A Journey to Arzrum* with introduction and notes

Montesquieu's Political Economy Andrew Scott Bibby, 2016-04-29 This book provides an introductory survey of Montesquieu s economic ideas and a fresh examination of the longstanding controversy over the meaning and purpose of Montesquieu s *The Spirit of the Laws* No one doubts that Montesquieu helped to formulate the core liberal ideals at the heart of the development of liberal republican traditions on both the European and American continents Yet questions remain about Montesquieu s political intentions In particular the view of Montesquieu as a conscious proponent of commercial modernity has come under increasing scrutiny While not ignoring recent scholarly challenges Bibby moves the debate forward by uncovering the many hidden connections between commerce liberty and religion in *The Spirit of the Laws* A failure to make these connections Bibby argues has led to significant interpretative errors This book attempts to eliminate one source of the confusion which continues to cloud Montesquieu s political philosophy in obscurity

In Defence of Women, 2018-08-13 The beginning of the eighteenth century opened Spain to an influx of people books and ideas and gave the country its own brief age of Enlightenment At this time of momentous change the three authors represented in this volume contributed to the Europe wide debate over the nature of women and their position in society Benito Jer nimo Feijoo was an admired scholar and a prolific author One of his most controversial essays was *Defence of Women* which argued that women were men s intellectual equals This sparked a pamphlet war that continued for twenty five years Josefa Amar y Borb n was a writer and translator who submitted her own spirited argument the *Defence of the Talents of Women* to a debate on whether women should be admitted to the new Economic Societies She also demanded in her *Discourse on the Education of Women* that women should be given the opportunity to study and learn At the very end of the century In s Joyes y Blake published an *Apology for Women* arguing that women should develop self respect support each other and refuse to be manipulated by insincere lovers and domineering husbands All three writers wrote with verve and imagination about one of the most important social questions of their day

Interculturality in Fragments Fred Dervin, 2022-10-28 This book continues the author s long term reflections over 20 years of scholarship and experience in intercultural communication education around the fascinating and yet contestable notion of interculturality in education As an unstable and polysemic notion interculturality deserves to be opened up again and again and there is a need to engage with it continuously observing critiquing and problematizing its complexities This book urges researchers students and interculturalists to take the time to think carefully and deeply about interculturality and to find inspiration beyond the dominating Western ideological world of intercultural research and education This book starts from short fragments written by the author for himself over a period of

one year In these short statements and notes about interculturality the author reflects creatively on the questions he had in mind at the time of writing and offers some temporary answers which in turn are questioned and revised Over the 1000 fragments that the author wrote he selected about 100 for which he wrote commentaries referring to and reviewing current research and debates on interculturality in the process One of the specificities of the book is to be highly multidisciplinary to help us get used to looking for inspiration in other fields of research and creativity The fragments can be read randomly the reader may open the book at any page and pick any fragment The author suggests reading each individual fragment first and then the accompanying explanatory texts While reading them the reader is also invited to reflect on any potential addition to what the author wrote anything they might disagree with anything they would have wanted to discuss with the author Questions have been added at the end of each chapter for readers to reflect on and to enrich their own criticality and reflexivity The book serves as continuous guidance for engaging with interculturality

On Tyranny and the Global Legal Order Aoife O'Donoghue, 2021-10-07 Since classical antiquity debates about tyranny tyrannicide and preventing tyranny's re emergence have permeated governance discourse Yet within the literature on the global legal order tyranny is missing This book creates a taxonomy of tyranny and poses the question could the global legal order be tyrannical This taxonomy examines the benefits attached to tyrannical governance for the tyrant considers how illegitimacy and fear establish tyranny asks how rule by law silence and beneficence aid in governing a tyranny It outlines the modalities of tyranny scale imperialism gender and bureaucracy Where it is determined that a tyranny exists the book examines the extent of the right and duty to effect tyrannicide As the global legal order gathers ever more power to itself it becomes imperative to ask whether tyranny lurks at the global scale

Laurence Sterne and the Eighteenth-Century Book Helen Williams, 2021-04-01 Scrutinising Sterne's fiction through a book history lens Helen Williams creates novel readings of his work based on meticulous examination of its material and bibliographical conditions Alongside multiple editions and manuscripts of Sterne's own letters and works a panorama of interdisciplinary sources are explored including dance manuals letter writing handbooks newspaper advertisements medical pamphlets and disposable packaging For the first time this wealth of previously overlooked material is critically analysed in relation to the design history of Tristram Shandy conceptualising the eighteenth century novel as an artefact that developed in close conjunction with other media In examining the complex interrelation between a period's literature and the print matter of everyday life this study sheds new light on Sterne and eighteenth century literature by re defining the origins of his work and of the eighteenth century novel more broadly whilst introducing readers to diverse print cultural forms and their production histories

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
