Identify high value problems using data, not guesswork. Choose the right online asset model: SaaS, Content, Ecom, Info for scalability. Launch lean MVP and validate with actual revenue fast. How to Make Money Online for Nerds is your action plan. This isn't theory, it's the step by step playbook showing you exactly how to transition from trading time for money to building equity online. Find niche problems perfect for your specific brand of genius. Launch quickly and validate with paying customers, not vanity metrics. Create scalable digital products from your knowledge. Implement data driven marketing that actually works. Build automated systems so the business runs without consuming your life. Think like an investor and construct an asset someone wants to buy. It's time to stop being the smartest person working for someone else's bottom line. Leverage your intelligence to build your own. Applicable today globally. Buy the book. Execute the plan.
