Issues for Debate in American Public Policy CQ Researcher,2021-08-26 Written by award winning CQ Researcher journalists this collection of non partisan reports offers an in depth examination of today s most pressing policy issues

The Power of One Frances Haugen,2023-06-13 The inside story of one woman s quest to bring transparency and accountability to Big Tech by the Facebook whistleblower who is determined to help us all retake control of our lives In 2021 when news outlets feasted on the Facebook Files Frances Haugen went public as the former employee who blew the whistle on the company by copying tens of thousands of pages of documents She testified to Congress and spoke to the media She was hailed at President Biden s first State of the Union Address She made sure everyone understood exactly what the documents revealed Facebook knew it had accidentally changed its algorithm to reward extremism and refused to fix it it knew that its customers were using the

platform to foment violence to spread falsehoods to diminish the self esteem of young women and more But how was it that Haugen was the only employee at the company who dared to step forward The answer to that question is an inspiring tale of one young woman s life and the choices she made From an isolated childhood in Iowa to an unaccredited college to one among the few women at Google in its heyday Frances Haugen learned how to focus on what mattered and to ignore her critics To harness the strength of standing in the truth The Power of One is equally inspiring the story of a woman who went against the grain again and again and changed the world and horrifying as the culture and practices of Facebook are brought into the bright light of day for the first time

No Filter Sarah Frier,2020-04-14 Winner of the 2020 Financial Times and McKinsey Business Book of the Year Award Named Best Book of the Year by Fortune The Financial Times The Economist Inc Magazine and NPR In this sequel to *The Social Network* The New York Times award winning reporter Sarah Frier reveals the never before told story of how Instagram became the most culturally defining app of the decade The most enrapturing book about Silicon Valley drama since *Hatching Twitter* Fortune *No Filter* pairs phenomenal in depth reporting with explosive storytelling that gets to the heart of how Instagram has shaped our lives whether you use the app or not The New York Times In 2010 Kevin Systrom and Mike Krieger released a photo sharing app called Instagram with one simple but irresistible feature it would make anything you captured look more beautiful The cofounders cultivated a community of photographers and artisans around the app and it quickly went mainstream In less than two years it caught Facebook s attention Mark Zuckerberg bought the company for a historic 1 billion when Instagram had only thirteen employees That might have been the end of a classic success story But the cofounders stayed on trying to maintain Instagram s beauty brand and cachet considering their app a separate company within the social networking giant They urged their employees to make changes only when necessary resisting Facebook s grow at all costs philosophy in favor of a strategy that highlighted creativity and celebrity Just as Instagram was about to reach a billion users Facebook s CEO Mark Zuckerberg once supportive of the founders autonomy began to feel threatened by Instagram s success Frier draws on unprecedented

access from the founders of Instagram as well as employees executives and competitors Anna Wintour of Vogue Kris Jenner of the Kardashian Jenner empire and a plethora of influencers worldwide to show how Instagram has fundamentally changed the way we show eat travel and communicate all while fighting to preserve the values which contributed to the company s success Deeply reported and beautifully written Nick Bilton Vanity Fair No Filter examines how Instagram s dominance acts as a lens into our society today highlighting our fraught relationship with technology our desire for perfection and the battle within tech for its most valuable commodity our attention
