The Business of Aspiration
Ana Andjelic, 2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand's products and services create both monetary and social value

Avalanche of Leads Dr. Elaine Williams-Morgan, 2023-09-27 In this informative book Dr Elaine Williams Morgan explores social media one of the greatest innovations of our time chronicling its development from the early beginnings to the current time when there are over two hundred social networking platforms The book highlights the disruptive character of social media and its commonalities with other disruptive technologies The disruption is being experienced across a range of industries including music advertising and the traditional media as journalists educators and businesses take advantage of the critical mass that this innovation delivers It outlines the avalanche of social media platforms available to users led by Facebook YouTube and WhatsApp and provides a roadmap for the development of an appropriate social media policy and strategy for navigating the digital era The power inherent in the adoption of social networking tools to reduce marketing and promotional costs facilitate efficiency and effectiveness in communication and drive collaboration and innovation is underscored These trends predict an increase in the number of social networking platforms and a broadening of the scope of these platforms There is also an indication that as Internet access expands globally a higher percentage of the global population will go online using their mobile devices and specifically for social networking These developments Avalanche of Leads emphasizes make it imperative for individuals and businesses alike to take the steps necessary to develop a winning social media strategy that employs tools that have become important for life and business A failure in this regard could mean being left out of the social media ecosystem an environment rich with opportunities to thrive
