Godstruck Kelsey Osgood, 2025-04-08 A candid thought provoking exploration of contemporary women's experiences of religious conversion and the relationship between faith and fulfillment in our time Religious involvement has been declining in the West for decades and though men have historically outnumbered women among the disaffiliated in the U S a greater share of the young adults leaving religion today are women A young secular Kelsey Osgood would have been surprised to hear that she would be among those moving in the opposite direction And yet after the conversion to Orthodox Judaism that transformed her life she began to wonder about the other contemporary women who like her had been startled to find a home in

organized religion In Godstruck she profiles six other converts some raised firmly atheist others agnostic or religious navigating independent paths to religious devotion From Angela a data driven writer and journalist who finds herself drawn to Quaker meetings to Hana whose conversion to Islam leads her halfway around the world to Christina whose Amish faith transforms her relationship to modernity these women s unexpected revelations introduce them to new and sometimes radically different ways of living Along the way Osgood charts a fascinating course through a wide range of cultural references from Saint Augustine Simone Weil and Tolstoy to desert hermits Alcoholics Anonymous and contemporary feminism to explore some of our attempts to understand and cope with the mysteries of life and the human condition Driven by a profound curiosity and anchored by intimate reporting Godstruck is a provocative insightful and refreshingly nuanced exploration of both the joys and the challenges of faith that reveals what these seekers can teach all of us about modern life and our own searches for meaning

Vogue Best New Beach Reads

Twenty four year old New York bookseller Naomi Ackerman is desperate to write a novel but struggles to find a story to tell

When after countless disastrous dates she meets Caleb a perfectly nice guy with a Welsh accent and a unique patience for all her quirks she thinks she's finally stumbled onto a time honored subject love

Then Caleb's ex girlfriend Rosemary enters the scene

Upon learning that Rosemary is not safely tucked away in Caleb's homeland overseas but in fact lives in New York and also works in the literary world Naomi is threatened and intrigued in equal measure

If they both fell for the same man what else might they have in common

The more Naomi learns about Rosemary the more her curiosity consumes her

Before she knows it her casual Instagram stalking morphs into a friendship under false pretenses and becomes the subject of her nascent novel

As her lies and half truths spiral out of control and fact and fiction become increasingly difficult to untangle Naomi must decide what and who she's willing to sacrifice to write the perfect ending
