The Propaganda Model Today Joan Pedro-Carañana, Daniel Broudy, Jeffery Klaehn, 2018-10-25 While the individual elements of the propaganda system or filters identified by the Propaganda Model PM ownership advertising sources flak and anti communism have previously been the focus of much scholarly attention their systematisation in a model empirical corroboration and historicisation have made the PM a useful tool for media analysis across cultural and geographical boundaries Despite the wealth of scholarly research Herman and Chomsky's work has set into motion over the past decades the PM has been subjected to marginalisation poorly informed critiques and misrepresentations Interestingly while the PM enables researchers to form discerning predictions as regards corporate media performance Herman and Chomsky had further predicted that the PM itself would meet with such marginalisation and contempt In current theoretical and empirical studies of mass media performance uses of the PM continue nonetheless to yield important insights into the workings of political and economic power in society due in large measure to the model's considerable explanatory power

National Board of Review Magazine, 1926 **Mainstream Maverick** Holly Chard, 2020-09-01 Winner Best First Monograph British Association of Film Television and Screen Studies The first scholarly book on John Hughes examines Hollywood's complex relationship with genre the role of the auteur in commercial cinema and the legacy of favorites such as Sixteen Candles and Ferris Bueller's Day Off In the 1980s and 1990s John Hughes was one of Hollywood's most reliable hitmakers churning out beloved teen comedies and family films such as The Breakfast Club and Home Alone respectively But was he an artist Hughes an adamantly commercial filmmaker who was dismissed by critics might have laughed at the question Since his death in 2009 though he has been memorialized on Oscar night as a key voice of his time Now the critics lionize him as a stylistic original Holly Chard traces Hughes's evolution from entertainer to auteur Studios recognized Hughes's distinctiveness and responded by nurturing his brand He is therefore a case study in Hollywood's production not only of movies but also of genre and of authorship itself The films of John Hughes Chard shows also owed their success to the marketers who sold them and the audiences who watched Careful readings of Hughes's cinema reveal both the sources of his iconic status and the imprint on his films of the social political economic and media contexts in which he operated The first serious treatment of Hughes Mainstream Maverick elucidates the priorities of the American movie industry in the New Hollywood era and explores how artists not only create but are themselves created

The Evolution of Hollywood's Calculated Blockbuster Films Alexander Ross, 2023-04-24 In this book Alexander Ross highlights how creative entrepreneurs saved the Hollywood studios in the 1970s by establishing the calculated blockbuster consisting of key replicable markers of success as Hollywood's preeminent business model Ross demonstrates how visionary individuals such as Coppola Spielberg Lucas and Zemeckis helped create the modern calculated blockbuster business model BBM However

with the rise of streaming giants and the studios struggling to compete many consumers of entertainment now elect to partake from the comfort of their homes making the difference between cinema and television anachronistic Revisiting the history of those 1970s blockbusters and their ongoing impact on contemporary filmmaking Ross offers distinct analysis on whether the calculated blockbuster can continue to lead or if the streamers will continue to generate their own content and eventually fully control the dissemination process For scholars and students in film pop culture and business along with aspiring filmmakers screenwriters producers and executives the book will be a valued resource *Theatre Management*

Anthony Rhine, 2017-12-21 An essential introductory textbook that provides a comprehensive and student friendly overview of the key processes involved in developing and managing a theatre in the 21st century It covers a complete range of topics fundamental to successful commercial and not for profit theatre management from developing a mission statement to communicating with stakeholders from marketing and promotion to fund development platforms and from governance structures to community engagement With over two decades of experience in the industry Anthony Rhine encourages a critical understanding of theatre management rather than simply giving students the facts and theories to memorise he shows readers how to think like theatre managers giving them the skills needed to be able to carve out their own career paths Far reaching and globally applicable the text serves as an invaluable guide for aspiring theatre managers as well as undergraduate and postgraduate students on theatre management arts management creative industries and theatre and performance studies degree courses
