

Global Fantasy Football Sorare Review

Over the last few months, we have tried out **Sorare**, an NFT based global fantasy football platform which was only released in 2019 but has since built up a small army of loyal fans. In this **Sorare** review, we'll explain what makes it so unique and how it differs from other fantasy sports and football trading platforms. There's also details on how you can get started without spending anything by competing in the Rookie League. Please see below.

Sport Consumer Behaviour Kostas Alexandris, Heath McDonald, Daniel C. Funk, 2016-07-18 All successful marketing strategies in sport or events must take into account the complex behaviour of consumers. This book offers a complete introduction to consumer behaviour in sport and events, combining theory and cutting-edge research with practical guidance and advice to enable students and industry professionals to become more effective practitioners. Written by three of the world's leading sports marketing academics, it covers a wide range of areas, including social media and digital marketing, the segmentation of the sport consumer market, service quality and customer satisfaction, sport consumer personalities and attitudes, the external and environmental factors that influence sport consumer behaviour. These chapters are followed by a selection of international case studies on topics such as female sport fans, college sports, marathons, and community engagement. The book's companion website also provides additional resources exclusively for instructors and students, including test banks, slides, and useful web links. As the only up-to-date textbook to focus on consumer behaviour in sport and events, *Sport Consumer Behaviour: Marketing Strategies* offers a truly global perspective on this rapidly growing subject. This book is an invaluable resource for anyone involved in the sport and events industries, from students and academics to professional marketers.
