The Tourist's Guide to Haunted Wellman James A. Moore, Charles R. Rutledge, 2025-06-24 Like most small towns Wellman Georgia has its share of ghost stories A group of amateur paranormal investigators plan to write a book about these macabre legends The Tourist s Guide to Haunted Wellman But after the ghost hunters perform a late night ritual in a graveyard the old stories seem to be coming true Something has been awakened Something angry Something hungry Occult specialists Jonathan Crowley and Carter Decamp begin separate investigations of the occurrences in Wellman but soon their paths will converge bringing them into conflict with malignant and dangerous entities And it may be more than even their combined knowledge and skills can overcome James A Moore and Charles R Rutledge return to shadow haunted Wellman the setting of their Griffin and Price novels for one last tale of suspense and dark horror

Polyamory, Monogamy, and American Dreams Mimi Schippers, 2019-10-28 This book introduces the poly gaze as a cultural tool to examine how representations of polyamory and poly lives reflect or challenge cultural hegemonies of race class gender and nation What role does monogamy play in American Identity the American dream and U S exceptionalism How do the stories we tell about intimate relationships do cultural and ideological work to maintain and legitimize social inequalities along the lines of race ethnicity nation religion class gender and sexuality How might the introduction of polyamory or consensually non monogamous relationships in the stories we tell about intimacy confound disrupt or shift the meaning of what constitutes a good American life These are the questions that Mimi Schippers focuses on in this original and engaging study As she develops the poly gaze Schippers argues for a sociologically informed and cultivated lens with which anyone regardless of their experiences with polyamory or consensual non monogamy can read culture media images and texts against hegemony This will be a key text for researchers and students in Gender Studies Queer Studies Cultural Studies Critical Race Studies Media Studies American Studies and Sociology This book is accessible and indispensable reading for undergraduate student and postgraduates wanting to gain greater understanding of debates around the key concept of heteronormativity

Vacuuming in the Nude Peggy Rowe, 2022-08-16 Peggy Rowe is at it again this time giving a hilarious inside look at her writing career Peggy Rowe has been writing all of her adult life In fact she doesn t know how not to write even through those years of constant rejection from publishing houses But between her tenacity and the encouragement of her family Peggy s breakthrough finally came at the age of eighty Vacuuming in the Nude

is most likely her funniest prose to date as she shares her journey of attending myriad writers conferences and honing her ability to see humor in everyday situations From the family s beloved dog Shim who thrived on piles of fresh warm manure from the horse pasture to vacationing on the sweltering beach with mosquitos the size of dune buggies to the challenges of aging Peggy Rowe delivers a hilarious array of stories that reflect her addiction to making people laugh Even in her cancer support group she manages to use her humor to affect others for the good If Peggy isn t putting her publisher on hold to finish a game of Mahjongg she s at her kitchen table window on the world taking notes for the next story for fans old and new to enjoy

Let's Be Reasonable Jonathan Marks,2023-01-31 A

conservative college professor's compelling defense of liberal education Not so long ago conservative intellectuals such as William F Buckley Jr believed universities were worth fighting for Today conservatives seem more inclined to burn them down In Let's Be Reasonable conservative political theorist and professor Jonathan Marks finds in liberal education an antidote to this despair arguing that the true purpose of college is to encourage people to be reasonable and revealing why the health of our democracy is at stake Drawing on the ideas of John Locke and other thinkers Marks presents the case for why now more than ever conservatives must not give up on higher education He recognizes that professors and administrators frequently adopt the language and priorities of the left but he explains why conservative nightmare visions of liberal persecution and indoctrination bear little resemblance to what actually goes on in college classrooms Marks examines why advocates for liberal education struggle to offer a coherent defense of themselves against their conservative critics and demonstrates why such a defense must rest on the cultivation of reason and of pride in being reasonable More than just a campus battlefield guide Let's Be Reasonable recovers what is truly liberal about liberal education the ability to reason for oneself and with others and shows why the liberally educated person considers reason to be more than just a tool for scoring political points
