You Will Never Be Me Jesse Q. Sutanto, 2025-10-07 When cracks start forming in an influencer's curated life she finds out that jealousy is just as viral as a video in this riveting suspense novel by bestselling author Jesse Q. Sutanto. Influencer Meredith Lee didn't teach Aspen Palmer how to blossom on social media just to be ditched as soon as Aspen became big. So can anyone really blame Mer for doing a little stalking? Nothing serious, more like Stalking Lite. Then Mer gets lucky she finds one of Aspen's kids' iPads and swipes it. Now she has access to everything: the family calendar and Aspen's social media accounts. Would anyone else be able to resist tweaking things a little here and there, showing up in Aspen's place for meetings with potential sponsors, Mer's only taking back what she deserves, what should have been hers? Meanwhile Aspen doesn't understand why her perfectly filtered life is falling apart. Sponsors are dropping her, fellow influencers are ghosting her, and even her own husband seems to find her repulsive. If she doesn't find out who's behind everything, she might just lose it all. What everyone seems to forget is that Aspen didn't become one of TikTok's biggest momfluencers by being naive. When Meredith suddenly goes missing, Aspen's world is upended and mysterious threats begin to arrive, but she won't let anything get in the way of her perfect life again.

It Doesn't Have to Be That Way Laura A. Wasser, 2013-10-01 Maria Shriver, Kim Kardashian, Stevie Wonder, Britney Spears. Who do they have in common? Top LA divorce lawyer Laura Wasser. If anyone ever had a platform to write a how-to divorce book for today's generation, it's Laura Wasser. She has been practicing in her field for nearly twenty years, represented many of the country's top celebrities, and has been celebrated for her unique style, her empathy, and her expertise. Wasser's personal and professional life have been profiled by publications like the *Los Angeles Times*, *Vogue*, and *Interview*. Most important, her approach and advice are different from almost any others, and she articulates them in a simple manner. Laura Wasser addresses an entire generation who want and need to handle their breakups differently. It's no secret that the divorce rate in America is more than half the marriage rate. Yet the means for dissolving a relationship often seem hopelessly mired in an outdated perception of how it's supposed to be done. Wasser acknowledges that this generation's realities have evolved greatly since the previous generation's in almost every way, and that they want to get divorced cheaply and efficiently and maintain control of the process themselves. The daughter and partner of a prominent Los Angeles Family Law attorney, she has a deep history in the field and she knows the available roads to uncontested resolution like nobody else. At times psychologist, at times strategist, and distinctly of this generation, Laura and her book will offer readers a safer passage through what can be a devastating time, emotionally and financially.

Innovative Solutions for Building Community in Academic Libraries Bonnard, Sheila, Hansen, Mary Anne, 2015-05-31 The library has always been an essential part of the collegiate experience, providing students with access to knowledge and literature.
