Comprehensive Reading Intervention in Grades 3-8 Lynn M. Gelzheiser, Donna M. Scanlon, Laura Hallgren-Flynn, Peggy Connors, 2018-10-04 This book provides innovative tools and strategies to support reading intervention for students in grades 3-8 who do not yet read with grade level accuracy. Uniquely comprehensive, the Interactive Strategies Approach Extended ISA-X has been shown to enhance intermediate and middle grade students' reading accuracy and comprehension as well as content vocabulary knowledge. Preservice and inservice teachers learn how to conduct assessments that help to identify instructional goals, monitor progress toward these goals, promote students' strategic thinking and motivation, and implement small group instruction using thematic text sets on science and social studies topics. Numerous lesson examples and a thematic text set are included. Purchasers get access to a companion website where they can download and print reproducible materials from the book as well as additional Web-only lesson templates and assessments in a convenient 8 1/2 x 11 size. See also *Early Intervention for Reading Difficulties: Second Edition: The Interactive Strategies Approach* by Donna M. Scanlon, Kimberly L. Anderson, and Joan M. Sweeney, which focuses on supporting the literacy growth of beginning and struggling readers in grades K-2.

Learning Disorders Peter Westwood, 2017-07-14 What are learning disorders? How can schools endeavour to address these disorders in today's inclusive classrooms? This book answers these important questions in practical terms and discusses in detail the instructional needs of students with dyslexia, dysgraphia, dyscalculia, dyspraxia, and other significant disorders that affect learning. Peter Westwood draws on international research literature to provide supporting evidence of best practices. The book is unique in linking the teaching methods recommended for overcoming learning problems directly to each of the three tiers of support in the Response to Intervention Model. It presents examples of effective whole-class teaching, intensive small group instruction, and individual tutoring, as well as addressing key topics such as educational progress of students with learning disorders, principles for teaching dyslexic students, difficulties with writing and spelling, developing students' numeracy skills, specific intervention strategies, nonverbal learning disabilities. *Learning Disorders* will be of interest to practising teachers, trainee teachers, teaching assistants, educational psychologists, school counsellors, and parents. It will also provide valuable insights for any school planning to upgrade its support system for students with special educational needs.

Handbook of Research on Advancing Teaching and Teacher Education in the Context of a Virtual Age Zimmerman, Aaron Samuel, 2022-12-28 The possibilities of the virtual age can provide many valuable resources and opportunities for teachers, preservice teachers, and teacher educators. However, in order to utilize these resources responsibly and productively, the researchers and practitioners of teaching and teacher education must better understand the new potentials and pitfalls related to teaching and learning that are present within the virtual age. The *Handbook of Research on Advancing Teaching and Teacher Education in the Context of a Virtual Age* focuses on the recent innovations in teaching and teacher education, as well as innovations in the curriculum and pedagogy of teacher education.
