Battle Creek Idea ,1907 *Iowa Agriculturist* ,1920 **Good Housekeeping** ,1929 *Hospitality* ,1928 *Woman's Home Companion* ,1927 *Meal Book 1+2+3+4* Jack Fred,2017-02-19 MEAL PREP BENEFITS Here are some really interesting benefits of meal prep which most of us do not consider seriously Let us have a quick look at some of the most important benefits 1 Save money When we go for grocery shopping we have to take care of the budget and most of the times we choose to buy products in less quantities as we have the thought in mind that we will not require too much of the particular product at a time Now if we prepare a meal and in large quantity we will obviously need more of the product This can save a lot of money as buying in bulk obviously means lesser price Instead of buying only one pound of beef we can buy a couple of pounds and use it for making two or three different dishes and store them for future Same is applicable for all other grocery products other than fresh vegetables and we will be overwhelmed to find the price difference between small quantity purchase and bulk purchase 2 Saving time Time is the most important factor that is to be considered when meal prep is being discussed The sole purpose of meal prep is to save the time while cooking delicious and healthy food When you have the detailed recipe and all the necessary ingredients at your disposal it will take less time to cook a large dish In this way you save time and energy but are still able to provide yourself with great food at home Multitasking becomes possible when you cook several dishes at a time as you will not have to spend time on cleaning up separately after cooking each dish There will be fewer utensils to clean up after cooking and when you will be enjoying the prepared food throughout the week you will just have to clean up the storage containers and serving plates after eating 3 Control over nutrition Meal planning will enable you to have better control on your nutrition consumption If you go according to the plan you will be consuming exactly what is necessary to maintain your health People who are under special diet are likely to reap the best benefits through meal preparation When you cook your meal you actually know exactly what you are eating In comparison to processed food where

we are not completely aware of the several artificial colors and flavor and thus consume them without knowing about the adverse effects Meal prep is also helpful in controlling the portion of the meal You can measure out the exact amount of food you will be able to eat in a serving Storing the rest for later will not only keep you healthy but will Healthy Meal Prep
