EBOOK: Economics: A Southern African Context, 3e J. van Rensburg, Campbell McConnell, Stanley Brue, Sean Flynn, 2021-04-22 Economics studies how people, businesses, and governments use resources. What shapes our decisions? How do we allocate goods and services? What does a rational choice look like? In this third edition of *Economics: A Southern African Context*, the authors expertly guide us through the key principles of economics, providing a solid foundation in the subject. The text combines relevant Southern African examples with a clear and accessible narrative. By encouraging critical engagement with economic theories, it provides a basis for examining today's economic, social, and political issues. Key Features: A new structure to refocus the book and align with teaching. Additional online chapters including the Economics of Pandemics available in Connect. Fully updated pedagogy including Interactive Graphs, Last Word, and Quick Quiz boxes. Discussions on new developments in economics such as the consequences of COVID-19 and the impact of BRICS membership on trade in South Africa. Revised end-of-chapter content to test comprehension including Review Questions, Discussion Questions, and Problems available in Connect. *Economics: A Southern African Context* is available with McGraw-Hill's Connect, the online learning platform which features resources to
