Jones,2008 Although curriculum based assessment CBA has been on the horizon for a number of years there has been a need for a practical classroom based approach for its implementation This second edition is a major revision and update that offers practical and specific methods for developing and using CBAs in an educational setting It gives educators a highly specific step by step approach to building CBAs in the area of reading word recognition reading comprehension content reading mathematics and written expression Each chapter offers detailed easy to read and easy to follow instructions for the assessment construction process To further clarify the process extensive examples are given in table format A unique feature of the text is the manner in which the author illustrates the principles of CBA by providing a case study on one student which is referred to in each chapter Its formative assessment approach gives the teacher additional detailed

information about students' OCO performance which in turn should guide the type of instruction designed and implemented ultimately leading to higher performance on summative outcome measures. Additionally, detailed information is provided on subject area CBA construction, the creation and implementation of a district-wide CBA system for response to intervention, and how to use IDEA's response to intervention in student evaluation.

Literacy Leadership Matters Karen

Filewych, 2023-01-26 Many school principals have little background in literacy instruction. And yet they find themselves leading teachers at a time of shifting literacy priorities. This practical book offers literacy fundamentals, builds confidence, and empowers principals to become instructional leaders. It deals with all aspects of literacy from understanding the science of reading to planning resources, oral language, word study, reading, writing, and creating a shared literacy vision. Each chapter in this comprehensive resource includes staff meeting discussion points to guide conversation with teachers, things to look for when working with the teachers and students within their schools, and much more.

Assessment for Reading

Instruction Katherine A. Dougherty Stahl, Kevin Flanigan, Michael C. McKenna, 2019-11-01 Now in a revised and updated fourth edition, this accessible text has given over 125,000 preservice and inservice teachers vital tools for systematic reading assessment in grades K-8. The book explains how to use both formal and informal assessments to evaluate students' strengths and needs in all components of reading. Effective, engaging methods for targeted instruction in each area are outlined. In a convenient large-size format, the book includes 30 reproducible tools plus an additional multipage assessment in an online-only appendix. Purchasers get access to a companion website where they can download and print the reproducible materials. New to This Edition: Expanded coverage of the middle grades 4-8, including a new chapter and case study and explicit attention to this grade range throughout. New coauthor Kevin Flanigan adds expertise in this area. New and expanded topics: computer-based testing methods, assessing academic language, and how to use reading inventories more accurately. Additional reproducible tools: informal reading inventory summary form, comprehension retelling forms for narrative and informational text, computer-based comprehension test comparison worksheet, revised Informal Decoding Inventory, and more.
