The United States' Defend Forward Cyber Strategy Jack Goldsmith,2022 In the 2010s America's adversaries conducted numerous damaging cyber operations inside the United States the Office of Personnel Management breach attacks on banks persistent intellectual property theft by China and the Russian intervention in the 2016 election The US possessor of the world's most powerful cyber arsenal responded in 2018 by unveiling a new Defend Forward strategy It is a large step in the direction of more aggressive action in cyberspace albeit for defensive ends The US has not attempted to hide this shift To the contrary it has telegraphed the change But the telegraphing has taken place at a highly abstract level Very little is known about precisely what types of operations Defend Forward entails While the US government has asserted that Defend Forward is consistent with domestic and international law it has not explained how the new strategy overcomes the perceived legal constraints that previously tempered US responses to cyber intrusions and threats This volume edited by Jack Goldsmith and featuring a cast of leading scholars in the field provides an authoritative overview of the origins and operation of Defend Forward and a comprehensive assessment of its legality For anyone interested in the future of great power conflict and the cyber strategies that the US is deploying against its adversaries The United States Defend Forward Cyber Strategy is an essential read

Roadmap to a Brighter Future Paul A. Laudicina,2021-09-14 A Wall Street Journal and Publishers Weekly bestseller America's best days should still lie ahead Here's the realistic and definitive path to get us there The future doesn't just happen It's a choice that we can and must help determine But as our deeply divided nation reels from converging crises and seemingly intractable discord where do we begin when the stakes are unfathomably high With multiple possible futures before us Americans need to understand the specific consequences of our immediate choices seize the opportunity to renew the nation's promise and set the stage to benefit current and future generations If we chart our course correctly we can emerge from our current troubles with a brighter future in reach of all Americans Based on decades of expertise in envisioning and articulating policy options Paul Laudicina lays out four vastly different visions for America's future In

Roadmap to a Brighter Future he outlines why the best version of America will only come about if the correct actions are taken now and outlines the ten steps needed to decisively tackle our most pervasive problems and address critical priorities

Laudicina who led one of the world's most respected management consultancies and has worked as a longtime senior advisor to Joe Biden also integrates the uncensored views and fresh ideas of dozens of the world's leading thinkers CEOs scientists government leaders and innovators to show why optimism about the United States is not only warranted but crucial
