Florentine orphanage rescued thousands of children and revolutionized childhood education amid the splendor of Renaissance art The story begins with the abandonment of the newborn Agata Smeralda on February 5 1445 in Florence s Hospital of the Innocents the first but certainly not the last child to be left at its doors In an era when children were frequently abandoned often trafficked or left to die on the streets an orphanage devoted to their care and protection was a striking innovation The Innocenti as it has come to be called the first orphanage in Europe devoted exclusively to unwanted children would go on to care for nearly 400 000 young lives over the next five centuries Built by the Silk Weavers Guild at a time when the wealthy were expected to contribute to civic life the Innocenti featured glorious arches designed by Filippo Brunelleschi and housed works by some of the greatest artists of the Renaissance from the painter Domenico Ghirlandaio to the sculptor Luca della Robbia Meanwhile the new orphanage also redefined the idea of childhood itself particularly in education as boys were often taught not just Latin and basic numeracy but also a well rounded curriculum that included art literature and music Girls learned viable trades such as weaving and silk manufacturing and the Innocenti assisted them in securing suitable marriages to protect them from poverty or a life of prostitution Over the centuries the orphanage oversaw groundbreaking scientific discoveries it was a birthplace of modern pediatrics while struggling against rampant disease constant financial crises and the dramatic ups and downs of Florentine politics in the Medici era Reflecting in a touching preface on the major caregivers in his own life Joseph Luzzi narrates the fascinating history of this revolutionary orphanage offering readers the first comprehensive biography of a groundbreaking humanitarian institution that recognized poor and abandoned children as worthy of nurture and thereby shaped education and childcare for generations to come

**Congressional Record** United States. Congress,1990 **Who's who in America** ,1956 *The Insurance Field* ,1918 Vols for 1910 56 include convention proceedings of various insurance organizations *The U.S. Healthcare Ecosystem: Payers, Providers, Producers, Second Edition* Lawton Robert Burns,2024-12-20 An Essential Guide to the Processes and Operational Complexities of the U S Healthcare System The U S Healthcare Ecosystem Second Edition serves as an expert navigator through the complicated and often confusing environment where healthcare payers healthcare providers and producers of healthcare technologies all interact This thorough updated resource delivers expert analysis of employer based health insurance pharmacy benefits the major professions healthcare consolidation drug discovery and development
