The Age of Surveillance Capitalism Shoshana

Zuboff, 2019-01-15 The challenges to humanity posed by the digital future the first detailed examination of the unprecedented form of power called surveillance capitalism and the quest by powerful corporations to predict and control our behavior In this masterwork of original thinking and research Shoshana Zuboff provides startling insights into the phenomenon that she has named surveillance capitalism The stakes could not be higher a global architecture of behavior modification threatens human nature in the twenty first century just as industrial capitalism disfigured the natural world in the twentieth Zuboff vividly brings to life the consequences as surveillance capitalism advances from Silicon Valley into every economic sector Vast wealth and power are accumulated in ominous new behavioral futures markets where predictions about our behavior are bought and sold and the production of goods and services is subordinated to a new means of behavioral modification The threat has shifted from a totalitarian Big Brother state to a ubiquitous digital architecture a Big Other operating in the interests of surveillance capital Here is the crucible of an unprecedented form of power marked by extreme concentrations of knowledge and free from democratic oversight Zuboff's comprehensive and moving analysis lays bare the threats to twenty first century society a controlled hive of total connection that seduces with promises of total certainty for maximum profit at the expense of democracy freedom and our human future With little resistance from law or society surveillance capitalism is on the verge of dominating the social order and shaping the digital future if we let it

Ponyville Confidential Sherilyn

Connelly,2017-03-28 Beloved by young girls around the world Hasbro's My Little Pony franchise has been mired in controversy since its debut in the early 1980s Critics dismissed the cartoons as toy advertisements and derided their embrace of femininity The 2010 debut of the openly feminist My Little Pony Friendship Is Magic renewed the backlash as its broad appeal challenged entrenched notions about gendered entertainment This first comprehensive study of My Little Pony explores the history and cultural significance of the franchise through Season 5 of Friendship Is Magic and the first three Equestria Girls films The brand has continued to be on the receiving end of a sexist double standard regarding commercialism in children's entertainment while masculine cartoons such as the Transformers have been spared similar criticism

Emotions, Media and Politics Karin Wahl-Jorgensen,2019-01-15 Emotions have long been neglected in media research although their role is a vital ingredient in shaping our shared stories and the ways we engage with them But emotions as they circulate through the media can also be divisive and exclusionary Karin Wahl Jorgensen makes the case for researching the role of emotions in mediated politics Drawing on a series of studies she explores the complex relationship between emotions politics and media The book includes analyses of how Facebook structures emotional reactions the anger of Donald Trump the use of personal storytelling in feminist Twitter hashtags the role of emotionality in award winning journalism and the communities created by political fandoms Essential reading for scholars and students this important volume opens up new ways of thinking about and researching emotions media and politics
