Reading Bestsellers Danielle Fuller, DeNel Rehberg Sedo, 2023-04-27 Readers are essential agents in the production of bestsellers but bestsellers are not essential to readers leisure pursuits The starting point in this Element is readers opinions about and their uses of bestselling fiction in English Readers relationships with bestsellers bring into view their practices of book selection and their navigation of book recommendation culture Based on three years of original research 2019 2021 including a quantitative survey with readers interviews with social media influencers and qualitative work with international Gen Z readers in a private Instagram chat space the authors highlight three core actions contemporary multimodal readers make choosing connecting and responding in a transmedia era where on and offline media practices co exist The contemporary multimodal reader or the MMR3 they argue illustrates the pervasiveness of recommendation culture reliance on trusted others and an ethic of responsiveness I Like You, I Hate Her J.R. Rogue, 2022-01-27 Jo I m not bad they just write me that way That s what I tell myself the lie I peddle in interviews If they want a bad girl I can be their bad girl Their villain Everyone loves a scandal And you re the queen of scandals Years ago I broke the heart of the biggest pop star in the world And then I became the Sexiest Man Alive s biggest regret I am not that venomous girl anymore But I know a life changing role when I see one At his name my heart stills The man I hate and want The bane of my existence Being Tristan Kane s on screen love interest will be good for my career And bad for my heart For him I aim to devastate both Tristan The world thinks it s easy being the son of Hollywood royalty But they don t know the burdens I wear Or the regrets in my chest that all say her name We will be nothing more than co stars Not friends Not anything more Loving Josephine Ouellette goes against my late father s wishes Fits into my meddling manager s plans And pisses my sister off forget the world they can t have this moment This is our story and no one gets a say in it But I m tired of living in his shadow Living for their games I fell in love with a villain And no one loves harder than the scorned *V.
