Matthew Gumke,2019-09 If you re not first you re last Grant CardoneThe best place to hide a dead body is on the 2nd page of Google SEO CommunityIn this book you ll learn how to rank your business first on Google Maps The author is Matthew Gumke Matthew Gumke is a 24 year old Entrepreneur and Philanthropist who created his first 6 figure online business in 2017 Matthew has built a personal brand of over 100 000 Facebook followers and over 50 000 Instagram followers along with being featured in major publications for his businesses for his expertise in SEO Learning SEO led Matthew into many different industries along with creating his own books and programs to teach people how he s been able to monetise Google Search Engine to create multiple income streams Matthew s notable mentors and business partners include Tony Robbins Naveen Jain Forbes Riley Tai Lopez and Ekim Kaya Being 1st on Google maps is crucially important To rank you ll need to learn Google Maps SEO When searching for a local business many consumers search through maps If you re not 1st on Google maps you re losing Money lots of money Every single day a potential long term customer is going to your competitor Unless the customer has a bad experience it s likely you won t have them as a customer the rest of their life Being

1st on Google maps isn't just costing you money on a day to day basis it's negatively impacting every day the rest of your life. Impact: You love your business, your business helps people. You're doing your customers a disservice when they search for a local business and go to a competitor. This affects the amount of impact you can leave in the world. Respect: If you're not 1st on Google, you'll lose respect in the eyes of many of your customers. They won't see you as the market leader. They'll try to negotiate discounts and haggle you for every penny. It's not just your customers, you'll lose respect in the eyes of many business owners. They won't think you're serious about your business. As a result, you'll lose referrals and other opportunities. Freedom: The difference between freedom for many business owners is a 1st place Google ranking. When you're first on Google, you don't need to prospect for new customers. By dominating your industry, you can easily create time freedom. It's not the best business owner that gets freedom; it's the business owner that's first on Google. I could list more reasons why your business needs to be 1st on Google maps, but to be honest, I don't want to disrespect your intelligence. If you didn't know you need to be 1st on Google maps, you wouldn't be reading this. In this book, I've laid out 8 easy-to-follow steps. An idiot could do this. SEO doesn't need to be difficult. It's really easy once you know everything. Anyone that tells you it's really difficult and you can't do it yourself is trying to sell you their services. Someone with no computer experience could follow these 8 steps and rank first on Google maps. What are you waiting for? Read the book today and ROCKET your business to the top.
