Feelin' Alright: How the Message in the Music Can Make Healthcare Healthier Stephen K. Klasko, 2023-04-02 Feelin

Alright leverages the emotional power of song lyrics to inspire healthcare executives to envision and build a more accessible high quality and equitable healthcare system Using music as a metaphor author Stephen Klasko encourages readers to examine what is problematic in the existing healthcare model and to take tangible steps toward a more consumer centered healthcare experience Dr Klasko shares his experiences as a physician a health system CEO a university president and dean and now bridging the gap between academic health systems and digital health innovators and entrepreneurs Each chapter features his multifaceted perspective and is anchored with a song that reflects the chapter s central themes Topics explored include Why consumers are starting to rebel against traditional healthcare How technology can be used to transform healthcare through consumer empowerment How medical education must evolve to prepare physicians for paradigm shifts What radical changes are needed to decrease health inequity Infused with the passion inherent in music Feelin Alright will motivate healthcare executives to take the lead in building a better healthcare system     Physical Activity, Health Equity and Health-Related Outcomes, Volume II Noel C. Barengo,Ahmad Alkhatib,2024-02-28 This Research Topic is Volume 2 in the Physical Activity Health Equity and Health Related Outcomes series There is sufficient scientific evidence on the benefits of physical activity in the prevention and treatment of diseases However sedentarism remains one of the biggest health problems worldwide leading to premature mortality in most if not all populations It has been shown that physical activity behavior is socially patterned with lower participation rates among women certain racial and ethnic groups people with poorer access to education health care and health insurance as well as people with physical mental and cognitive disabilities and older adults     Fishing in the Time of COVID-19: Effects on Fishing Activities, Resources, and Marine Ecosystems Tommaso Russo,Sebastian Villasante,Simone Libralato,2023-03-15     **Ward's Automobile Topics** ,1916     *Mayo Clinic Practice of Cardiology* Mayo Clinic,1996 This extensively updated and edited new edition describes the clinical practice of cardiology and is written by clinicians at the Mayo Clinic who share their practice expertise and advice This edition includes diagnostic and therapeutic modalities preventive cardiology cardiac failure myocardial disease arrhythmias and conduction abnormalities coronary heart disease acquired valvular heart disease congenital heart disease other disease entities and relationships between heart and other systems     **The Boston Medical and Surgical Journal** ,1919     Advances and New Perspectives in Higher Education Quality Maria Esteban,Ana B. Bernardo,Ellian Tuero Herrero,Joana R. Casanova,Antonio Cervero,2024-04-22 The changes that have occurred in today s society require Higher Education to be highly efficient in the academic and professional preparation of young people who enter university For that reason universities around the globe have been advocating in recent years for an improvement in the quality of teaching learning processes As an example the World University Consortium 2023 currently presents among its most urgent and priority objectives the identification of the best evaluative practices of the educational processes that are carried out at the University as well as the recognition of the actions aimed at improving educational processes based on scientific evidence In

this way it seeks to distinguish all those educational actions that are at the forefront going from actions at the micro level such as individual teaching practices in the classroom such as the application of the flipped classroom or the use of augmented reality up to actions taken at the macro level such as those proposed in the Horizon Europe 2020 strategy
