More Quotable Chesterton:

More Quotable Chesterton Gilbert Keith Chesterton, George J. Marlin, 1988
Marlin, Richard P. Rabatin, 1988-01-01 *New York Magazine*, 1993-07-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Quote Sleuth Anthony W. Shipps, 1990 The tracer's goals are to identify the source of a quotation to find or to produce detailed citation based on a reliable edition of the work to find an authoritative text of the passage being traced and to do all this in the shortest time possible and with the least possible amount of effort *The Nation and Athenæum*, 1910

Within My Heart Michael A. Van Horn, 2017-03-14 This book illustrates how Christianity in the modern era has been shaped in the direction of subjectivity In the Enlightenment after Locke required faith to submit to reason's judgment Kant argued that religion should remain within the bounds of reason only Schleiermacher shifted attention away from belief to devotion to Christ and a feeling of absolute dependence on God Rejecting Hegel's system Kierkegaard summoned his readers to a unique subjective approach to justification by faith Revivalist Evangelicalism has been perceived and portrayed itself as a rejection of modernism This study argues instead that the Evangelical revivalist movement is unmistakably modern in its assumptions regarding the nature of faith The Pietist impulse fueled in part by modern anthropocentrism and subjectivism in religious belief was appropriated by the Evangelical revivalists such as John Wesley George Whitefield Jonathan Edwards and later Charles Finney In short Christianity today is a religion of the heart

Rethinking Stress in an Age of Ease William J. Elenchin, 2019-02-27 Stress is a concept that has become both increasingly popularized and misunderstood in society Today we often think about how stressed we are many on a daily basis This is especially interesting when we consider that as life has become easier at least from a materialistic standpoint rates of depression and anxiety in our culture have risen It is true that living with too many demands in life can be harmful to our physical and emotional health But it is equally true that when we believe difficult circumstances are an unnatural part of life we only set ourselves up for increased fear and sorrow Hans Selye the scientist who discovered how stress operates in the mind and body nearly a century ago never intended for it morph into the now common idea that all stress is bad for us Yet that's precisely what has occurred driven by three particular social changes in the last half century This little guide is a back to the basics kind of field manual written for students but is generally for all ages By rethinking the proper role that stress plays in our lives we will be better positioned not only to deal with life's challenges but to embrace all seasons as a part of our journey while on earth

Permanent Things Andrew A. Tadie, Michael H. Macdonald, 1995 Permanent Things reminds us that some of the century's most imaginative minds G K Chesterton T S Eliot C S Lewis Dorothy

Sayers and Evelyn Waugh were profoundly at odds with the secularist spirit of the age seeing progressive enlightenment as ushering in not a millennium of perfect freedom but a Waste Land whose inhabitants Waugh's vile bodies Eliot's hollow men Lewis's men without chests can find refuge from their boredom and anomie only in the ceaseless acquisition of things or in the consoling illusions of pseudo religions distracted from distraction by distraction as Eliot memorably put it How does one explain the desolation of a world which though richly endowed with material comforts is mentally and spiritually impoverished The essayists here are united as were their subjects by a need to try to answer this question Modern man's poverty of spirit visible alike in so much of his art and architecture his literature and philosophy and political science reflects his loss of any good reasons for living his loss of the Permanent Things The Christian writers whose work is eloquently interpreted in this book repay our attention for at least two reasons First is their ability to sharpen our awareness of what by any previous civilized standards must be called the abnormal condition of modern man For all the writers treated in this book it was never enough to simply capture the spiritual aridity of modern life It was also necessary to speak of a moral order that may yet be restored by the expressive power and beauty of the written word

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Publishers Weekly*, 1994 **Crisis**, 1989 A journal of lay Catholic opinion G.K. Chesterton Julius West, 1916 Fidelity, 1988 Geary's Guide to the World's Great Aphorists James Geary, 2007-10-08 An encyclopedic reference features words of wisdom from Voltaire Twain Shakespeare Nietzsche Emily Dickinson Muhammad Ali and Mae West in a book organized by eight different categories and indexed according to author and subject **The Reader's Digest** DeWitt Wallace, Lila Acheson Wallace, 1994 The Politician's Guide to Assisted Suicide, Cloning, and Other Current Controversies George J. Marlin, 1998 Author George Marlin argues that without respect for personhood liberty will become license and the responsibility to do what is right will degrade into the right to do what is irresponsible Aren't we already there This book provides intelligent politicians and others with philosophical and historical perspectives on some of the toughest issues we Americans face New Covenant, 1988 **Modern Conservative Thought** Bill Muehlenberg, 1990 Chesterton Day by Day G. K. Chesterton, 2002 This is a collection of quotes selected by Chesterton himself from material the ever popular Chesterton wrote between 1901 and 1911 Editorial comments have been added to explain details dimmed by the passage of time A bibliography describes the sources used and a detailed 17 page index helps readers locate specific topics and quotes Fighting the Good Fight George J. Marlin, 2002 This is the story of New York's feisty Conservative Party a story that is really the saga of America's tumultuous political maturity from the time of Rockefeller up to Rudy Giuliani Squandered Opportunities George J. Marlin, 2006 When George Pataki was swept into office in 1994 conservatives throughout New York rejoiced Not only had they helped knock off liberal icon Mario Cuomo but after thirty two years in the political wilderness the New York Conservative Party had provided the margin of victory that fulfilled their mission to elect a governor who was not a legatee of Nelson Rockefeller Jacob Javits John Liudsay style liberal

big government Republicanism But after Pataki's good start conservatives became disenchanted They realized that in his desperate desire to be all things to all people Pataki squandered the historic opportunity entrusted to him in 1994 In this first commentary on the Pataki administration George Marlin former Executive Director of the Port Authority of New York and New Jersey and New York Conservative Party activist traces how fiscally economically and culturally Governor Pataki sold out to leftist interests In *Squandered Opportunities* Marlin contends that the Pataki Administration did not possess a philosophical compass Political expediency overwhelmed any political philosophy and political conscience and political ideals were mere slogans used to patronize conservatives Marlin examines how Pataki's social policies betrayed conservatives Pataki approved gay rights bias crime bills restricted the medical insurance conscience clause for religious institutions increased gun regulations and repudiated term limits Marlin concludes that by deserting mainstream Republican principles George Pataki who harbors 2008 presidential aspirations has forfeited his seat at the leadership table of the party of Ronald Reagan BOOK JACKET
