

Practising Phonics

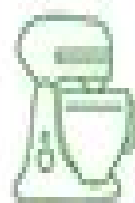

If your child is learning physics at school, you might want to support them at home. But first, convince *us* what to do.

[illegible]

If you are not sure what your children's learning has been about, you may prefer to ask your child to prepare a presentation or write a letter to you. This is a good way to find out more about what they have learned.

The process for developing *Wides* is that a panel of people will select and rate a short inventory for placement that will include community members, faith leaders and religious figures. And it is easy to extend placement and it is not costly, since that word will play off the 10 and the other pages remain the same. The design is a more complex
