Mood Management A Cognitive Behavioral Skills Building Program For Adolescents Skills Workbook:

Mood Management Carol A. Langelier, 2001-01-09 Annotation Mood Management is a skills building programme designed to help adolescents learn to effectively manage difficult emotions such as anger depression anxiety and low self esteem On the basis of cognitive behavioural counselling theory it stresses the importance of practicing the skills introduced in each unit of the Skills Workbook to achieve and maintain emotional well being The Skills Workbook is primarily written from the perspective of a classroom guidance or group counselling programme however clinicians can easily adapt the information to facilitate individual therapy The workbook contains transparencies which provide visual references to help the adolescent

Mood Management Carol A. Langelier, 2001 This text provides a seven step programme to assist adolescents who display behavioural problems to deal with their emotions This manual is aimed at adolescents and features exercises and checklists for use by the participants

Mood Management Leader's Manual Carol A. Langelier, 2001-01-09 Adolescence is a confusing time it can be compared to a roller coaster ride so many highs and lows twists and turns It is a time when important decisions must be made but these are hard to make when one is coping with the emotional turmoil of adolescence Are you a child Are you an adult What is your identity Author and licensed psychologist Carol Langelier has developed a program that guides adolescents through this difficult developmental stage The Mood Management A Cognitive Behavioral Skills Building Program for Adolescents and its accompanying participant s Skills Workbook teach adolescents how to deal with their emotions by understanding what triggers the thoughts behaviors feelings and physical responses that create conflict Through a comprehensive seven step program this process demonstrates how to resolve self conflict and create and maintain behavior change Designed to be used in classroom guidance programs as well as individual or group counseling the Mood Management program provides adolescents with an opportunity to help one another steer clear of emotional traffic jams The Leader s Manual is a valuable asset to the program providing a brief introduction to the program the Skills Workbook answers questions provides masters for transparencies that can be used as visual aid and a guide for the transparencies The Leader s Manual together with the Skills Workbook will make a complete program ready for counselors The Mood Management program is perfect for two different audiences Counselors at the middle and high school level will find it useful in either their curriculum or as a training for students who have been designated as having behavior problems The second group is social workers and counselors who do group work with adolescents
