After The Rift: A Romantasy (fantasy romance) Boxed Set C.J. Archer, 2020-09-22 This boxed set contains the first 3 books in the AFTER THE RIFT romantasy romantic fantasy series by multi USA Today and Wall Street Journal bestselling author C J Archer Series is complete with 6 books This fantasy novel is simply the most captivating I remember reading in decades of fantasy books It has been years and years since I have stayed up all night literally to read a book An exceptional story plot with characters who are written in a manner that makes them feel so real How does Ms Archer create pure magic so easily This is one of the best books that she has ever written ABOUT BOOK 1 THE PALACE OF LOST MEMORIES The king's magnificent palace was built in a matter of weeks No one saw the builders no villagers are allowed beyond the gilded gate and only one servant has ever left The haunted look in her eyes as she was recaptured by the palace guards is something Josie daughter of the village healer has never forgotten For Josie the palace is a mystery that grows more intriguing after she meets the captain of the guards a man known only as Hammer as mysterious and captivating as the palace itself Whispers of magic fuel Josie's desire to uncover the truth but an ordinary girl like her can only dream of ever being invited inside When the king decides to take a wife from among the eligible daughters of the noble families the palace gates are finally thrown open and the kingdom's elite pour in In a court where old rivalries and new jealousies collide the king's favorite is poisoned and the healer is summoned As her father's assistant Josie finally sees inside the lavish walls but she soon learns the palace won't surrender its secrets easily for not a single resident from the lowest servant to the king himself has a memory from before the palace existed In her quest to help the servants Josie becomes embroiled in courtly intrigues alongside the enigmatic captain As their feelings for each other grow the hopelessness of their situation becomes apparent How can she love a man who doesn't know his own past To make matters worse they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear [The Wolf King Needs an Heir: M/M Omega Mpreg Romance](#) Max Rose, 2021-07-15 Only one omega can give the king an heir needed to save his kingdom and save himself Wolf king Edric Rylan is forced to marry not for love but to avoid the destruction of his family's dynasty A prophecy he doesn't entirely believe has forced his hand Either he marries a werewolf from the Silvius bloodline and produces an heir or his kingdom is finished Edric rules the most powerful wolf kingdom in the U S and he's not about to watch everything he's built fall to pieces But he faces big problems First the Silvius royal family was completely wiped out in his grandfather's era Second he's gay That complicates things when it comes to the nitty gritty of making an heir Fortunately an eccentric old wolf seer has found a solution a male omega wolf named Julian Wilson the offspring of a werewolf and a human who can have a child The omega is illegitimate born on the wrong side of the sheets and grew up around humans but he has Silvius blood in his veins Edric knows his duty He must mate this omega and produce his heir to stop the prophecy and then he'll decide whether to keep the omega or exile him back to the human world But Julian is like no wolf he's ever met not only hauntingly

beautiful but unassuming genuine and kind The omega is dangerous but he s only a threat to Edric s rigid way of seeing the world and to his heart Julian Wilson feels like a nobody He works the drive thru window at a fast food joint struggling to pay for night classes at the community college So when a limo rolls up and he s offered money to meet with a king he s sure it s a scam or a joke Then he loses his job Desperate he agrees to meet King Edric and immediately regrets it The alpha wolf is so handsome and sexy that Julian has to stop himself from drooling over a man who could star in his fantasies When the king asks for Julian s hand in marriage to avoid a ruinous prophecy he nearly falls over Julian doesn t believe in prophecy and this might turn out to be a loveless arranged marriage but he s at the end of his rope At least sex with Edric will be hot Julian will live in a palace and he can do more good in the world as mate to a king than he ever could alone Julian knows his duty He must give this king his heir doing his best to protect the child he carries inside Soon Julian is pregnant and discovers far more depth and passion to his mate than he first realized even if the alpha doesn t like humans Edric would be an easy man to fall in love with But there are wolves within the royal court seeking to end the union of a king and a tainted blood omega and will stop at nothing to rip their love apart Reader note contains M M Mpreg wolf shifters hot romance elements and male male love
