Pedal Profits Barrett Williams, ChatGPT, 2025-08-15 *Pedal Profits* is the definitive playbook for turning wheel service into a reliable profit engine for bike shops. This is a practical no fluff guide built for real world shops that want faster turnaround, higher quality and happier customers. Inside you'll follow a complete roadmap from identifying the wheel service niche to scaling it across the shop floor. You'll see how a wheel centric service can redefine your business model, boost throughput and improve margins without sacrificing safety or craftsmanship. Each chapter is a compact action oriented module designed to be implemented today, not somewhere in the future. From layout and workflow to pricing, sourcing and customer experience, *Pedal Profits* covers the full lifecycle of wheel work so you can stop guessing and start growing. Key takeaways include: mastering express builds, precision truing and customization, designing workstations for speed and safety, building a tiered inventory, pricing that reflects complexity and creating repeatable processes with checklists and quality control. The book also dives into marketing, wheel services, partnerships with clubs and shops and hands on skills development for technicians. You'll learn how to validate demand, map customer segments and use data to drive decisions. Financial modeling, turnaround time planning and capacity management give you the numbers to forecast growth with confidence. The final sections chart a practical launch timeline, a lean growth path to a full bike shop and guardrails for risk and insurance. If your goal is to turn every wheel you touch into value, faster, cleaner and more profitable, this guide shows you how. Designed for fast adoption, the book fits into a busy shop's rhythm with bite sized chapters you can implement week by week. It includes practical templates, checklists and quick start playbooks you can lift into your own shop. Shift into high gear, get *Pedal Profits* today and start hitting new revenue milestones.
